Constitution

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I—Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II—Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—Membership

The Association in the transaction of business, shall be composed of the pastors of the churches and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV—Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects

of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V—Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the un-expired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI—Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the

Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII—Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII—Trustees

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX—New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X—Procedure

The business of the Association shall be conducted according to Robert's Rules of Order, where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI—Amendment

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII—Adoption

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

ARTICLE 1—Time of Annual Meeting

The Association shall meet annually on the Tuesday and Wednesday immediately following the fourth Sunday in October. However, in case of some unavoidable circumstances that make a change in the date of the annual meeting necessary, the Executive Committee shall have authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks before the stated time for the annual meeting and at least two weeks in advance of the new date for the annual meeting.

Some of the churches will want to continue the history from 1918, when a book was published which carried the history of their church up to this date. The Historian shall further suggest that this information be compiled at the earliest date possible, and sent to the Associational Office, or to the Historian of the Association.

AMERICAN BIBLE SOCIETY

The Bicentennial of the American Revolution is here, and churches across the country are planning how they will participate in this great celebration.

The American Bible Society can help them, as it has in the past. The ABS (born in 1816) grew up with the new nation and made sure that its citizens had copies of God's Word to guide them.

Today the goal of the ABS is the same—the translation, publication and distribution of the Scriptures in the language of the people, without doctrinal note or comment and without profit. As a vital resource agency to the churches, the ABS works with the United Bible Societies to provide the Scriptures to people throughout the world. The number of Scriptures distributed annually runs into the hundreds of millions of copies and continues to increase.

Here are highlights of what the ABS and its partners did in 1975.

TRANSLATION AND PUBLICATION UPDATE

A milestone in the development of the common language translation will be reached late in 1976, when THE GOOD NEWS BIBLE, the entire Bible in Today's English Version, is published. To be released during the 160th anniversary year of the American Bible Society, this translation will be the Society's Bicentennial gift to the people of the United States.

GOOD NEWS FOR NEW READERS—TWO YEARS AND GROWING

The dilemma of the new reader unable to improve his reading skills for lack of materials is a problem familiar to the Bible Societies. The Societies feel that if "bridge materials" such as Good News for New Readers Scripture Literacy Selections are not available, most new readers will return to illiteracy and never again have the opportunity to read God's Word.

New Reader Scripture Selections take a new reader from the primer level to a reading skill that will enable him to understand Scriptures in his or her own language.

Although Good News for New Readers is only two years old, it has already made its mark and attracted the interest of churches and governments. In North America and Europe, Scripture Literacy Selections are being brought to new readers in the first three levels of English and Spanish, as well as in French and Portuguese. In Africa, Good News for New Readers projects are underway in 53 languages spoken in almost half of the African countries.

A WAY TO THE WORD. In September of 1975, the ABS released a 16mm color film entitled A WAY TO THE WORD. Photographed on location in Brazil, Bolivia, Guatemala and Mexico, this film shows how the Scripture Literacy Selections are changing the lives of new readers in South America and around the world.

SCRIPTURE DISTRIBUTION

Scripture distribution in the United States during 1975 reached a total of 109,469,781 copies, an increase of 11,181,000 over 1974.

An unusual opportunity for distribution of Scripture arose with the start of America's Freedom Train on a 21-month, 17,000-mile journey around the U. S. At stops along the way, friends of the Bible Society presented copies of Scripture to the city's leading citizens as well as to visitors.

As the tenth anniversary of the publication of GOOD NEWS FOR MODERN MAN approaches, distribution of the New Testament in Today's English Version has passed the fifty million mark. This is an achievement unmatched in (paperback) publishing history.

SCRIPTURE IMPRINTS

Custom and imprinted Scriptures constitute a significant part of the Society's

national distribution program. Requested especially by individuals and church organizations, these Scriptures are circulated in a variety of life situations, including sports events, state and county fairs and programs of evangelistic outreach. Of the 8.5 million Scripture Imprints produced by the ABS in 1975, 2,259,000 copies were imprinted for Southern Baptist churches and agencies.

VIETNAMESE REFUGEES

Answering requests of church groups working in the Vietnamese refugee centers, the ABS printed two Scripture Selections in Vietnamese on the theme of hope. Copies of Today's English Version of the New Testament were also distributed as an aid in teaching the refugees English.

ABS SERVICE TO THE SOUTHERN BAPTIST CONVENTION

The Bible Society is assisting the missionary activities of the Southern Baptist Convention in a variety of ways.

Brazil's literacy organization, MOBRAL, considers the Good News for New Readers Selections to be the best available material for its students. In Hong Kong, churches launched a campaign to place a copy of Scripture in each home; the Bible Society aided this effort by publishing copies of Mark in Today's Chinese Version. In Kenya, the Kimeru people and the Ekegusii people, among others, received up-to-date translations of the New Testament.

EASTERN EUROPE UPDATE

Eastern Europe poses special problems for the United Bible Societies, but the work of getting the Word into eager hands there is going on with encouraging results. In the last decade, almost 4.5 million copies of Scripture have been distributed throughout the Eastern Europe countries.

In Poland a vigorous program of distribution has developed, and the new Polish MILLENIUM Bible, a long needed supplement to the less easily understood GDANSK Bible, has been published. The first edition of this Bible was printed on paper supplied by the Bible Societies.

FINANCIAL SUPPORT

For the American Bible Society, 1975 was a year of outstanding developments, but inflation continues to hamper progress. United Bible Societies projects in many countries have had to be postponed.

The Executive Committee of the United Bible Societies pledged $11.2 million for the support of its worldwide program in 1976, but more funds are needed for the continuation of the Societies' vital work. The ABS, therefore, must ask for increased support from the churches.

Contributions from churches in 1975 increased 9.4 per cent over last year to a total of $1,453,920. For this the American Bible Society is very grateful. Nearly 16.5 per cent of the total contributions is represented by the support of the Southern Baptist Convention, a slight decrease from the previous year, as shown below:

1970	$233,185
1971	240,249
1972	233,752
1973	253,857
1974	254,802
1975	238,554

The Southern Baptist Convention can help the Bible cause by raising its level of support of $.03 per member per year. This increase of just $.01 over the present level would provide $350,000 helping the Society significantly in pursuing today's

expanded opportunities for sharing the Word, and fostering growth in ABS programs, particularly in the Good News For New Readers program.

We ask for your continued prayers, that the Bible Society, in partnership with the Southern Baptist Convention and other willing Christians, may perform even more effectively its task of bringing the Word of God to those who ask for it and need it.

For full report, please see the Annual of the Southern Baptist Convention, 1976.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December 1975, provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the 13th Check because it is over and above the regular monthly payments.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

In a tract that came across the Foundation desk during the past year was a note about the will of the famous financier, J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicated by the opening statement of that legal document. It read, "I commit my soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard . . . the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned, his most valued "possession" was the priceless gift of salvation. Paul, in II Corinthians 12:4 says "I seek not YOURS but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a MEANS for raising money, but a plan for making the right kind of men.

During the 1975-76 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

Respectfully submitted,
Edwin S. Coates, Executive Secretary
Baptist Foundation, Inc.

BAPTIST HOSPITAL

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine.

This Department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time, the Department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a four-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new Department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

BIBLICAL RECORDER

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsible because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and it can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provisions to send the RECORDER to each family. Although nearly 1,100 churches in the state

have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life."

If this "packhorse," meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

CHILDREN'S HOMES

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need than strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy of breakdown or weakness, are deprived of the growing experience so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is

offered the child who needs immediate short-term care to provide time for a more permanent plan. Group Care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed mother and her child. Preschool care and education are offered a select group of younger children. Consultation in child development and family life education is offered to churches concerned for families and children in their communities. Varied planning and counselling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville—each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical, psychological, recreational, and social service personnel in the communities to help persons grow to their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

CHRISTIAN ACTION LEAGUE

This past year the North Carolina Christian Action League has been involved with the problem of hard-core pornography, massage parlors and beer and wine sales. An anti-obscenity and pornography ordinance has been drafted by our attorney, Mr. Allen Baily, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard-core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several North Carolina cities and counties and is under serious consideration in other places in the State. Since this ordinance covers only a city, town, or county where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under the purview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your District and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a $130,000,000.00 brewery in Eden, N. C.

The Company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer from Eden." In line with this increased production, efforts are being made to open up more outlets for retail sales in the State which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget support from the churches across the State. You are urged to support the League in this way and with your prayers for God's guidance in the work we seek to do. It is God's work that we are doing. We work for Him as we speak for you. We thank you for your cooperation, support and prayers.

CHRISTIAN HIGHER EDUCATION

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day Offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans, and work scholarships are available.
5. Churches, pastors' conferences, and associations invite the colleges to send students and faculty to speak and lead programs.
6. Baptist colleges are anxious to receive invitations to serve the churches and associations.

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist colleges reaffirm their gratitude for their support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support

of the local church, and the broad programs of our denomination.

CHRISTIAN LIFE COMMISSION, SOUTHERN BAPTIST CONVENTION

In this Bicentennial year of 1976, the attention of the nation has been focused on Christian citizenship in particular and moral issues in general. Both are of continuing concern to Southern Baptists and to the Christian Life Commission. It is the responsibility of the people of God to strengthen and extend a Christian witness in a morally confused world where Christian morality is desperately needed.

Concern for Christian morality development is growing significantly among Southern Baptists. An increasing number of individuals, pastors, and churches are substantially expanding their commitment to applying the gospel and their involvement in a responsible penetration of the world and permeation of society with the whole gospel of Jesus Christ. Baptist commitment to a balanced and Biblical faith is deepening, concern for Christian morality development is growing, and commitment to be the salt of the earth and the light of the world is increasing.

Communication of the moral imperatives of the gospel has been undertaken by the Christian Life Commission and others of like mind and heart in the past year through a continuing output of sermons, articles, lessons, books, news releases, pictures, curriculum materials, pamphlet literature, and actions related to applied Christianity. Special attention has been given in local churches to applying the gospel as programs have been developed for Christian social action in the local church.

Conferences on applied Christianity have emphasized Christian citizenship, Christian answers to family problems, public education, and moral issues of particular concern in this year of national elections.

Five areas of Christian social concern have required the special attention of the Christian Life Commission. (1) Family life has been emphasized through conferences, sermons, pamphlets, specialized meetings for leaders, participation in national meetings where a Baptist witness for Christ has been borne, some major addresses, and guest editorials. (2) Race relations has been emphasized by distributing study materials and photographs related to Race Relations Sunday, by encouraging and assisting Baptists in the development of continuing dialogue, mission action, and ministries across racial lines, and by the continued distribution of educational materials and suggestions for action related to the Christian way in race relations. (3) Christian citizenship has been emphasized through the special promotion of heavy involvement in helping Baptists responsibly celebrate the nation's Bicentennial observance, preparation and wide distribution of special materials related to Christian citizenship, and the development of a new consciousness and a new commitment related to Christian citizenship. (4) Economics and daily work have received attention through articles written, literature distributed, messages delivered, special emphasis on Christians and daily work at Labor Day, and continued study and research to help Baptists apply Christian principles in this important arena. (5) Special moral concerns have received attention through education and action on such important moral issues as immoral television programming,

violence, obscenity, pornography, abuse of alcohol and other drugs, the ecological crisis, gambling, criminal justice, abortion, divorce, sexual morality, and hunger.

In these and many other ways, the Christian Life Commission continues its task of helping changed people to change the world.

CHRISTIAN LIFE COUNCIL

The emphasis of the Christian Life Council in 1976 has been two-fold: citizenship and family relationships.

In January, a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferences were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A Single Adult Conference is scheduled for October 29-31 in Charlotte.

One of the most exciting developments is the creation of the Department of Christian Family Life, W. Douglas Cole will head this Department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptists pertaining to everyday life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

CHURCH MUSIC

Church Music is one of the most important programs of our Church. Through this medium every person who attends church can be an active participant in the service and as they sing barriers that hinder worship are removed and spirits are lifted up to God for blessings.

I think it is important that we have a regular time set aside for congregational practice to improve this part of services. A Hymnfest is also good therapy for improving congregational singing and involving more people. This is accomplished by allowing the people to choose the songs that are sung.

I would like to challenge our church choirs to do a better job than we have been doing. Although we have many good choirs in our Association, there is still room for improvement. Many choirs refuse to try music that is difficult such as Christmas or Easter Cantatas. This is one of the best things that we can do to build confidence and bring out ability in choir members. Lead them to accomplish that

which has always seemed out of reach. There are Cantatas and Anthems available that are relatively easy and that most choirs can master. Try it! Surprise yourselves!!

On February 28 and March 1 of 1977, Mr. Joe Stroud, Director of Church Music in our State Convention and his Associate, Mr. Charles Gatwood, will be in our Association to conduct Conferences for choir members, Directors, accompanists. We hope these will be strongly supported by our churches. All pastors and music directors will be furnished information on this so they can promote it in their church. This is being done to help you do the things that we have been talking about in this report–IMPROVING CHURCH MUSIC.

Respectfully submitted,
John V. Williams
Associational Music Director

CHURCH TRAINING

"M" Night, 1975 was held at Mount Pleasant with fourteen churches represented, eight pastors, nine directors, total attendance 217. We gave a plaque to Mary Elizabeth for high attendance.

Youth Night, 1976, was held at Wingate Baptist Church. Randy Robinson from Mecklenburg Association was guest speaker. Refreshments were served after the meeting.

Children's Bible Drill was at Shiloh Baptist Church in May. We had four Association winners and three of those became State winners.

CONSTITUTION AND BY-LAWS COMMITTEE

Needed changes in the Constitution required the Committee to present these necessary changes to the Association for their consideration:

1. In Article V, Paragraph 2; we recommend the Woman's Missionary Union Director be inserted in the list of officers in Article V. Then the Article V list would read, Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, etc.
2. By-Laws 9-13 deal with programs of the Association. We recommend that the Woman's Missionary Union should be included in this section of the By-Laws.

Rather than re-numbering all of the By-Laws, we recommend that Article 11 of the By-Laws be titled "Brotherhood and Woman's Missionary Union."

Then Article 11 should read: "The Brotherhood program of the Association shall be under the direction of the Brotherhood Director. The Woman's Missionary Union program of the Association shall be under the direction of the Woman's Missionary Union Director."

DIRECTOR OF MISSIONS

We have had, I believe, another good year in the work of our Association. This has been made possible by the splendid cooperation of all officers, committees, and churches. We continue to give God the thanks for all of you and all that you have done and are doing in the work of our Lord in and through our churches and Association. We express our appreciation to you for all that you are doing and for your love for us and the way that you work with us.

It has been our privilege to share in Christian fellowship with our pastors and families in personal visits, in their church services, pastors conferences, and prayer meetings, and in other ways. We have carried several new pastors and wives out for a meal on behalf of the Association.

During the church year, 1975-1976, I have visited in fifty-seven churches, a total of 116 times. I have been granted the privilege to preach in regular services thirty-seven times, one building dedication service, five deacon ordination services, and one revival in the Corinth Church near Hickory. I taught the Book of Hosea, the January Bible Study, for one church. Myrtle and I shared in the teaching of the Home and Foreign Mission studies for sixteen of our churches.

The Rev. Bill Culbertson and I worked together in planning, scheduling, and leading the World Missions Conference in our Association in which thirty-four of our churches participated. This experience proved to be a great blessing and challenge to all who shared in it. Rev. Raymond Owens assisted us in the above preparation.

Working with our Associational Sunday School Director and State workers, we

led our churches in a Sunday School Workshop for officers and teachers, a Pastor-Director Workshop and Action Program presentation.

We had two Deacons Schools in the Association, one at Faulks, the other one at New Salem. Thirty-four of our churches were represented. These schools were led by Dr. Maurice Cooper, Director of Church Ministries and Training, Baptist State Convention, and Dr. Harold McDonald, Pastor of First Baptist Church, Albemarle.

I participated in two funerals, delivering the message, one for the Rev. Sam Long at Hopewell, the other one for the Rev. Charlie Brisson at Cerro Gordo in Columbus County.

I have been in the following conferences: one hundred and seventy individual, ten group, and seventeen committee. I was a participant in the World Missions Conference in the Robeson Association, representing Association and State Missions.

I have participated in a number of special studies, clinics, and workshops relative to the work of the Association. These include an area clinic for the preview of Sunday School work at the Baptist Building in Charlotte, an 'Action Program' presentation at Ridgecrest, Home Mission Week at Ridgecrest, Week of Christian Study and Fellowship at Mars Hill, Regional Cooperative Program and Stewardship Clinic at Charlotte, Vacation Bible School Clinic at Wingate, and the Annual Meeting of Directors at Wingate.

It was our privilege to attend the Baptist State Convention, the State Evangelistic Conference, both of which met in Asheville, and the Southern Baptist Convention in Norfolk, Virginia. All three had special conferences for Director of Missions.

We have published and distributed an average of twelve hundred and twenty-five Newsletters each month in an effort to inform our people about the work of the Association and Conventions.

As I study the Calendar for 1977, I forsee another very busy and challenging year. It will be another great year for us as we labor together in the work of our Lord in our Association with all of the churches.

Respectfully submitted,
Ellis L. Marks

EVANGELISM

All churches have already received the booklet: GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES—1976-77. It contains suggestions for various evangelism emphases for the local church for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville—February 2-4, 1976. The theme was "Freedom in Christ." The response from many persons indicated that this Conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 4½ years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896

professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week—June 14-18—at the North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance and recreation. Fifty-three different types of decisions for Christ were made by youth.

Twelve thousand youth, pastors, and adult leaders are expected to attend the sixth Statewide Youth Evangelism Night—August 13—at the Greensboro Coliseum. Barry Wood of Lubbock, Texas, is the guest preacher, and Larry McFadden of Gainesville, Florida is the guest soloist. Follow-up work by pastors and adults is always done with youth who make decisions from communities across our State.

Two summer youth evangelism teams have directed youth revivals and youth witness training in eighteen churches across the State for a one week period in each church. Already there has been an excellent response and youth are making decisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family, Touch Ministry, Discipleship Groups, and Joy Explosion. W. O. W.—Win Our World—is included in this strategy and involves specific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival meetings and city-wide crusades during the past months.

The Thirty-first Statewide Evangelism Conference will be February 7-9, 1977, at the War Memorial Auditorium in Greensboro.

HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September 1975, Brother Ralph Cannon, beloved Pastor and Trustee of the Homes, was called by the Trustees to serve as Director of Development and Denominational Relations and has been

leading the fund-raising program for the Western North Carolina Baptist home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach that goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home, in Asheville, will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit—Resthaven, the Hayes Home, the Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle, the Hamilton Home, in Hamilton, and the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—the Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible!

Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the development of the Homes which we're excited about—the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

ORDINATIONS

The Committee on Ordinations, which is composed of John Wood, J. Howard Williams, Dallas Graham, Glenn Price, John Hargett, Jr., Bill Clapp, Glenn Short, and John Davis, Chairman, met one time during the year.

At the request of West Monroe Church, the Committee met with certain brethren from that congregation on January 10, 1976. The purpose of this meeting was to examine Laurence A. Bradley for the ministry of the Word.

An Ordination Council was properly convened. The Candidate was examined in all pertinent areas of Christian experience, Bible doctrine, and Baptist life. After passing his examination, he was recommended for ordination.

On the following Sunday, January 18, 1976, the West Monroe Church ordained Mr. Bradley, who had been called to the Mount Pleasant Church, where he is now serving as Pastor.

PRISON MINISTRIES

A report of years 1975-76 for the work that has been done and the advancements of what has been done at the North Carolina Department of Corrections at Camp Number 4550 located at 200 Sutherland Avenue, Monroe, North Carolina, Union County.

I, as Chairman of the Prison Ministries of Union Baptist Association, have seen this Camp changed from Grade A prisoners to a Security Camp with all men under guard in the last year. We have had religious services each Sunday morning from nine until ten o'clock. Midweek services are held on Wednesday afternoons from 2:30 until 3:30. We have had some great services. On February 29, we presented forty Bibles to the inmates. I preached from the fourth chapter of the Book of John. Subject: God's purpose for our salvation. At the close of the service, we had eleven professions of faith.

The week after Easter, we had a week of revival. Monday through Friday at 2:30 p. m. At the close of Friday's service, which was preached from Matthew 27:36, we had seventeen professions of faith. On July 28, we had a social for the

inmates. A great program was given, then a social hour with cake and ice cream. Oscar Helms, Rev. D. M. Parker, Rev. B. L. Connell, Rev. John Davis, Rev. Z. G. Ray, had part in the program. Rev. J. S. Larrimore, Rev. A. H. Ray, Rev. D. M. Parker and members of Midway Baptist Church furnished the money to pay for the ice cream.

The ladies of Benton's Crossroads Baptist Church baked and furnished the cakes. Since then, we have had three professions of faith. We have one man now taking a correspondence course in Bible study. We have a good group of singers who do a good job and sing for the Glory of God.

The personnel and inmates are very happy with our work. They have expressed to us their sincere thanks for the many good programs that have been given for their benefit.

We are happy to have worked with these men for this period of time. We hope to render better service in the coming year.

RACE RELATIONS

As we celebrate our 200th birthday as a nation, we are compelled to look back on 200 years of a divided country scarred by racial violence, tainted by racial inequality, infiltrated by racial prejudice. For only about twenty of these 200 years have our Federal Government and other institutions made any active efforts toward correcting these inequities and attitudes. Yet, in this score of years, tremendous progress has been made in seeking to make the "American Dream" the heritage of all our people. Since the Civil Rights Amendment of 1954 much has been done to uproot racial hatred, to provide equal opportunity, and to grant human dignity to Blacks, Indian-Americans, and other racial minorities. For this we are grateful.

We would have even more cause for gratitude as Christians if the Church could be singled out as the moving, directing force in this movement for freedom, equality, and opportunity. It would be commendable if we could point to the Church as the "bridge over troubled waters" that served as the spirit of reconciliation in our time of violence, upheaval, unrest, and transition. Regretfully, however, the Church-at-large can lay claim to being neither "movers" nor "peacemakers." For the most part, the Church has remained strangely quiet, timidly uncommitted, and, at times, even the last depository of hatred and bigotry. The pulpit has been conspicuously quiet concerning the truth that Christ who died for all men expects His Church to love all men.

Yet, without us, great strides in human relationships have been made. The crisis seemingly past, we breathe a sigh of relief, and go back to singing the songs of Zion, glad that it's all over and that we didn't have to make a commitment.

It isn't all over, however, for the black man is still with us, and will continue to be. His financial condition, the education of his children, his practice or non-practice of population-limiting techniques, his work habits, and many other considerations we have no choice but to leave with governmental agencies. His relationship to God in Christ, however, is a responsibility we cannot slough off to anyone else. It is the Church to whom Christ gave the responsibility to make disciples of all men—including the black man. No amount of money given to convert persons in

distant lands can ever displace our responsibility to proclaim Christ's love to persons on our doorstep. To proclaim the love of Christ to black men in Rhodesia and not give the love of Christ to black men in Union County is the most glaring of contradictions. But enough of accusation. Let us suggest some positive steps.

As Christians, let us begin to examine our racial attitudes in the light of the Word of God and, having done so, to begin moving in the direction of attitudes that are compatible with the spirit of Christ.

As churches, let us begin to open doors of Christian understanding between ourselves and the Black community. Let us make friends with Black churches and Black ministers, and work for mutual assistance and encouragement.

Finally, let us seek ways of sharing the Gospel with the Black community, recognizing their cultural authenticity and using the Black church as an already-existing base of operations, while realizing further that such experiments as Mission Vacation Bible Schools and Backyard Bible Clubs are viable avenues for teaching the Biblical revelation.

De-segregated schools, equal job opportunities, health care, legal aid, and minimum annual income assurances may serve as important building blocks in helping Black persons to a better life-style, but they will find Eternal Life only through Jesus Christ. Let the Church stand up and shout to them that Good News of Jesus Christ.

RADIO AND TELEVISION COMMISSION

"Powerline," top 40 music radio program aimed at teenage audiences, continues to be the leader among Commission programming in pulling response and generating "problem" letters requiring Christian counsel. It also provides the lion's share of new Christians and rededications which come from the mail. "Powerline" has just observed its seventh anniversary and this year is saluting the nation's Bicentennial by including historical vignettes in each program.

The total number of stations carrying the agency's six primary radio programs (The Baptist Hour, "MasterControl," Powerline, Country Crossroads, Soul-Searchers, and Nightsong) increased from 2,406 as of September 30, 1975, to 2,482 as of January 30, 1976, for a net total increase of 76 stations.

All major radio programming is reflecting the observation and celebration of the American Bicentennial and will continue to do so throughout 1976. Hobbs began his eighteenth year in September 1975, as regular preacher on "The Baptist Hour." The year past saw the addition of several prestigious radio stations adding "The Baptist Hour" to their programming. One of these was KSL in Salt Lake City, the CBS 50,000 watt clear channel station in the heart of Mormon country.

"Country Crossroads" continues to occupy the pleasant position of a program which has demonstrated a consistent ability to communicate the truths of the gospel while commanding the respect of virtually all facets of the country music industry. BILLBOARD magazine representatives have referred to it as "the most widely listened to country music radio show in the nation."

As "MasterControl" approaches its eighteenth year on the air, it has the respect of broadcasters around the world and can be justifiably proud that millions have come to hear of Jesus Christ on a program which is unabashedly both Christian and entertaining.

The Commission closed out the year of 1975 with a total of nine and a half hours of network television time. The following programs were aired during the year: January 5, "Golden Spring"; March 30, Easter Service, University Baptist Church; June 1, "Legacy"; July 27, "Discovery"; February 23, "Firmness in the

Right"—Abe Lincoln Awards Program; March 30, "The Right to Believe" (Easter Special); June 22, "Where Do We Go From Here"—Hal Lindsey/John Newport Conversation; September 21, "Conscience of America; 1776-1976"—Faith Group Conversation Program; October 19, "Justice For All"—Conversation with Judge James A. Noe; December 21, "Christmas in Wales (Christmas Special); December 28, "The Religious Spirit of '76"—Year End Conversation with Four Faith Groups; September 28, "New People for a New World"—Report of the Baptist World Alliance.

The beginning of 1976 saw increased network activities with NBC and ABC launching a series of programs to celebrate the Bicentennial. The NBC series was entitled "Under God" and will feature eight special programs produced by four faith groups—the Southern Baptist Convention, the U. S. Catholic Conference, the Jewish Theological Seminary of America, Inc., and the National Council of Churches in the USA. Each produced two programs and the umbrella theme "Under God," was adopted so they could be promoted under the same banner. The Lily Endowment made a grant of $100,000 to the faith groups to fund the promotion and the educational followup. It was an unprecedented opportunity for cooperation among the faith groups.

The history of cooperative ventures between the Foreign Mission Board and the Radio and Television Commission reveals that such ventures date back to 1958, and a total of 13 documentary films have been produced by the two agencies in various overseas locations. All the films have been used in "The Answer" or "The Human Dimension" series.

Four such cooperative films were produced in 1974-75—a film in Israel about Missionary Robert Lindsey and three in Japan dealing with education, literature, and urban problems and how the missionary meets them.

Thirteen episodes of "The Human Dimension" were either produced or television rights were acquired in 1975, and the new series was launched at the beginning of 1976.

The television department is the producer for TimeRite, Ind., and several films were produced in the past year for several Baptist groups. In the Arkansas Baptist Convention, production continues on weekly five-minute programs which are aired on five stations covering the state. A film depicting the work of Virginia Baptist Homes and their residents has been completed. A half-hour film showing the work of the Mississippi Baptist Convention was made with a three minute trailer featuring Earl Kelly, Executive Secretary, making a direct appeal for support of the Cooperative Program.

Television spots were produced for Sunset Acres Baptist Church in Shreveport and Columbia Baptist Church, Falls Church, Virginia, to use in their promotion.

In addition, the television department has been responsible for production of a Cooperative Program Forum pageant presented in Norfolk for the Southern Baptist Convention, and subsequently made available to state Baptist conventions.

The Centurymen took part at the Alabama State Baptist Convention in November 1975. The focal point was a major concert with a Bicentennial emphasis at the closing session. Following this, the Commission-sponsored musicians appeared in concerts in Birmingham, Huntsville, and Guntersville.

The Centurymen took part in programs at the Southern Baptist Convention in Norfolk, with other special events taking place in Washington, D. C., and several cities in Virginia prior to the Convention.

A complete list of Commission-produced radio and television programs and the number of stations which carries each, follows: "The Baptist Hour," 369; "Master-Control," 638; "Powerline," 783; "Country Crossroads," 558; "Nightsong," 55;

"SoulSearchers," 79; "The Answer," 57; "JOT," 69; "Human Dimension," 67; "Puntito," 9; "La Respuesta," 4; "Control Central," 116; "Momentos de Meditacion," 125; "Strength For Tomorrow," 4; "Portugeuse Baptist Hour," 1; "Voice of Hope" (Chinese), 6; "The Navajo Program," 5; "Good News," (Polish), 7; "Cantonese Baptist Hour," 4; "Filipino Baptist Hour," 2; "Hungarian Baptist Hour," 5; "Estonian Baptist Hour," 1; "French Baptist Hour," 12; "Alabama State News," 69; "Georgia State News," 39; "Kentucky State News," 12; "Louisiana State News," 11; "Mississippi State News."

RESOLUTIONS

Resolved, that Dr. Cecil Ray, General Secretary, the Staff of the Baptist State Convention, the several institutions, organizations and arms of our Convention and the Southern Baptist Convention, be given the assurance of the support and prayers of the Union Baptist Association as they seek to lead us and our Conventions in these times of hesitancy to commit oneself;

and be it further resolved that we do commit ourselves to Christ and the Soul Freedom He has given us to do His Will of our own volition, under the leadership of His Holy Spirit, and by His Grace.

Resolved, that we hereby commit ourselves to assert our franchise as citizens of the United States of America to vote November 2 and urge our fellow Christians and others to do so as well.

Resolved, that the Moderator, W. L. Culbertson, the Vice-Moderator, John Owens, the Director of Missions, Ellis Marks, and the Program Committee be commended for their effort to inform our Association of our local, State and World missions through the One Hundred Twenty-Second Annual Session;

and be it further resolved that we given them each personally, and all together, collectively, a show of our appreciation and support.

Resolved, that the West Monroe and Oak Grove Churches be commended, and the appreciation of the Association be extended to their people for their fine attempts to meet our needs and wishes for this meeting.

We commend with them the Benton Heights, Calvary, Corinth, Howie, Mary Elizabeth and Roanoke Churches for their part in making this meeting, the meals, and the fellowship of the Annual Association so warm and sweet;

and be it further resolved that Pastors Mintz and Beal receive special commendation for their superior and demanding efforts to please us all.

STATE MISSIONS

1976 has been a year of cooperation. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are cherished principles among Baptists. One hundred forty years before the nation's beginning, a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years

later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together ". . . to promote missions, evangelism, education, social services." (Constitution, Article II). The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly effects the state of Home and Foreign Missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments—Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood—are wholly committed to these tasks.

A second major program of State Missions are the "Direct Mission" ministries. These programs lengthen the churches' concern across the State, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects of North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, approved by the 1975 Baptist State Convention is as follows:

$175,000 Basic State Mission Budget
43,000 Fruitland Classrooms Build.
72,000 Caraway Conference Center
10,000 Special Mission Projects
100,000 Baptist Assembly (Caswell)

STEWARDSHIP AND COOPERATIVE PROGRAM

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as

he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the fifteen percentage increase suggested by the State Convention for Cooperative Program and the increase suggested by the association for associational ministries.

Last year, 1126 churches increased their gifts through the Cooperative Program by fifteen percent or more, and four association in our State had 100 percent of their churches giving through the Cooperative Program.

We recommend:

1. That a stewardship chairman be elected in every church in our Association.
2. That every church conduct a stewardship emphasis this year.
3. Every church in the Association giving something through the Cooperative Program for world mission support, EVERY month.
4. Every church in the Association increasing the percentage of the total budget income given through the Cooperative Program.
5. Every church in the Association giving the suggested amount for the support of Associational missions, EVERY month.
6. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October.

The Trustees would like to thank Mr. Lex Funderburk and Mr. John Underwood for their labor, tractor, grass seed, and fertilizer for the yard at the Associational Parsonage.

The Association has purchased a cassette recorder and player and an electric stapler this year. We also had a minor plumbing repair.

We, the Trustees, do not expect any major expenditure for the year of 1977.

Respectfully submitted,
John G. Hargett, Jr.
Chairman

WOMAN'S MISSIONARY UNION

During the year 1975-76, Woman's Missionary Union has emphasized freedom and liberty along with all Southern Baptists. The emphasis has been on freedom in Christ as well as on appreciation for the Christian heritage and religious liberty enjoyed in the United States.

The two special WMU emphases for the year have been T-I-M-E, Training in Mission Education, which stresses the training of leaders and members, and A TEMPO, an emphasis on enlisting young women, ages 18-29, in Baptist Young Women. The associational WMU officers have promoted these emphases as well as the total WMU program. For training in their work, they have attended training

sessions at Glorieta, Ridgecrest, Camp Mundo Vista, and other workshops. The officers seek to train the local church WMU leadership, to provide associational WMU activities for all age levels, and to initiate work in churches where there is no WMU work.

TRAINING OPPORTUNITIES

1. In September, a Leadership Conference for training all age-level WMU leadership in the churches.
2. Mission study training for the Foreign Mission Series of books.
3. A training and planning session for GA Day Camp leaders.
4. The study of the WMU Manual and the five age-level manuals.

INSPIRATION, INFORMATION, AND FELLOWSHIP ACTIVITIES

1. The Annual Meeting was held April 8 at the Mill Creek Church. The theme was "Freedom to Be." The Baptist Young Women were featured and presented a playlet, "Drop Everything." Thirty-five GA's participated in the Parade of Flags. Reports were given by each associational WMU officer. A historical review of the Union Association WMU told of the work since 1896. The living former WMU superintendents and presidents were honored. The Rev. Glenn Hix, missionary to Okinawa, brought a dynamic missionary message.
2. The Baptist Women met at the First Church, Monroe, with the women of three of the black Baptist Conventions to observe the Baptist Women's World Day of Prayer in November. In April, they had an inspirational meeting at the Oak Grove Church.
3. The Baptist Young Women had a Hobby Fair at the Shiloh Church in January and a Prayer Retreat at Wingate College in May.
4. The Acteens, led by the Acteens Planning Group, had a meeting each quarter. Mrs. Glen Hix, missionary to Okinawa, spoke to them in May.
5. A GA Rally was held in November at the Lee Park Church with Mrs. Troy Bennett, missionary to Bangladesh, the speaker. Two GA camps were held in May at the Mountain Springs and Hopewell Churches. Marian Hume showed slides of Southern Baptist foreign mission work at the first camp, and Mrs. Glenn Hix spoke at the second camp.

CAUSES TO REJOICE

1. An acteens organization was begun at Faulks Church, initiating WMU work there.
2. New age-level organizations were begun at Benton Heights, Euto, King Memorial, Indian Trail, Mount Moriah, Mount Zion, New Hope, Oakland, and Providence.
3. The associational WMU was again DINTINGUISHED on the Achievement Guide.
4. More than 1600 women and girls were reached in the training or age-level meetings.
5. The Mary Blair Scholarships, worth $300 each, were awarded to Virginia Rose Tucker, Marshville Church, and Lisa Sue Gaddy, Olive Branch Church. These scholarships are awarded to two freshmen at Wingate College.

CONCERNS

1. Ten churches have no WMU work.
2. Nine churches have only a Baptist Women with no missionary education training for preschoolers, children, or youth.
3. Some churches in the association neither contribute through the Cooperative Program nor support financially the Southern Baptist missionary program.

"Where the Spirit of the Lord is, there is liberty" (2 Cor. 3:17). Our liberty

was bought with the life of Jesus Christ. Knowing this, we serve Him. The light of Jesus shines in us and gives us knowledge of who God is. This great truth and our personal relationship to Jesus as Savior are our credentials in showing Him to the people still in bondage. Those who live in liberty because of Christ must seek to be like Him so that they can show Christ to others in confidence. This is our mission.

Marion Hume,
Associational WMU Director

•The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

UNION BAPTIST ASSOCIATION

ARTICLE I — Name

This body shall be known as the **Union Baptist Association** of North Carolina.

ARTICLE II — Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV — Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the **Union Baptist Association**, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists

through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles:

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX — New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the **Union Baptist Association**. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association concerning the applicant.

Some highlights of 1976 include the following:

1. Completion and publication of the "Good News Bible". More than one million copies of this translation on fourth grade level were circulated in December.
2. GOOD NEWS FOR NEW READERS, Scripture portions written on graded levels for new readers, is being prepared in 286 languages. Many already are being successfully used.
3. Currently, the Bible Society is giving help in the translation of the Scriptures in 560 languages.
4. Scripture distribution was 114,769,046 copies.
5. The American Bible Society contributes to the United States Society World Service budget. This is one way Southern Baptist foreign mission work is assisted.

Southern Baptists have consistently supported financially the work of the Bible Society. However, the amount contributed in 1976 was only a small increase over the amounts given yearly during the past ten years. At least a gift of $ .05 per resident member is needed if the American Bible Society is to continue to have ready the Scriptures needed by the Southern Baptist Convention ministries around the world.

ANNUITY BOARD REPORT

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program: 2491 in the Family Benefit Section; 1275 in the Age Security Section; and 240 in the Variable Benefit Section.

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a Route 10 promotional theme, according to Darold H. Morgan, President of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra

benefit came to $820,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATIONS, INC. REPORT

The North Carolina Baptist Foundation, Inc., was approved in 1919 and chartered in 1920. The objectives were clearly stated in the charter:

1. To promote the making of gifts . . . . . for Baptist causes
2. To receive, own, hold, administer, and distribute gifts of any kind

The Foundation continues to strive toward fulfilling the objectives stated in its charter.

Growth of assets have increased from the original $2,000 in 1920

to $3,696,612 in 1977. Total income paid out to Baptist causes through 1976 was $1,175,484 including the amount paid from the Graves estate to build the Yanceyville unit of the Baptist Homes.

The staff consists of three salaried employees: Edwin Coates, Executive Secretary; Sara Ann Hobbs, Director of Estate Planning; and Dianne Babb, Staff Assistant. Leon Spencer is employed to maintain operating budget records and Tom Dimmock, a Raleigh attorney, is retained for consultation on legal matters and preparation of legal documents.

The Foundation provides a unique channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists forever. The three prime methods utilized for this are the testamentary gifts, the annuity trust and the charitable remainder trust.

Future needs include constant training for personnel as tax laws change, closer relationship with Baptist institutions in understanding needs of the institutions and helping to train development staffs of the institutions, better follow-up services for donors to the Foundation, and more direct management of funds by Foundation staff and the Board's Investment Committee.

Long-range goals call for assets of $5,000,000 by 1980 and $10,000,000 by 1985, and an annual increase of testamentary gifts of $1,000,000 per year through 1980 and $2,000,000 per year, 1980-1985.

BAPTIST HOMES FOR THE AGING REPORT

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist churches, as well as many others throughout the State, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, Pastors, and other Church Leaders latched on to ropes, attached to a huge bull-dozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accomodate fifty people.

Another exciting venture is the construction of our duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for sixteen additional persons and will be ready

for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply thirty-five percent of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs, as we reach out and serve more of these dear ones who desperately need help.

BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The Hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from ninety counties in North Carolina, from twenty-nine other states and from three foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were eighty-seven graduate

students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from three nearby schools of nursing and for one-hundred twenty students in other allied schools. The School of Pastoral Care last year enrolled a total of seventy-five students in varius levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches: last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining twenty-three years of the twentieth century. It has been called "Bold Missions Thrust", and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some thirteen million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize

the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His Lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented His disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the **BIBLICAL RECORDER** is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in North Carolina receive the **BIBLICAL RECORDER** weekly. Already more than 1100 churches in our State are providing through their budgets for the **RECORDER** to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. **RECORDER** circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the **RECORDER** to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue it is delivered by U. S. mail directly to your home address.

The **RECORDER** doesn't cost; it pays! Your church will be a healthier congregation if you provide the **RECORDER** for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BROTHERHOOD REPORT

The year of 1976-77 has been a year of learning for your Brotherhood council. Neither your Brotherhood Director, Baptist Men's Director, or R. A. Director were new to the work of missions among men and boys, but we were new to the specific tasks to which we have been called in the association. Having learned what we have, we know

enough to feel genuinely burdened from the Lord that each church in our association have a missions program for men and boys. We are seeking the Lord's leadership as to how, in the coming year, we may contact each of our churches to share the "Burden of the Lord" about the salvation of the world by the year 2000. One of the tools in God's hands to accomplish this goal is the Brotherhood organization. We have the capacity and the responsibility; will we have the commitment?

BAPTIST CHILDREN'S HOMES REPORT

We as members of the **Union Baptist Association** and North Carolina Baptist State Convention have the wonderful privilege through our Cooperative Program and special offering gifts to help with the ministry of children in need.

We support the following Children's Homes: Mills Home in Thomasville; Kennedy Home in Kinston; Odum Home in Pembroke; Broyhill Home, Waynesville-Clyde. In each of these homes an effort is made through the services of men and women dedicated to the task of providing love, understanding, patience and a home-like atmosphere.

Through our Children's Homes we are able to place many children in foster homes and to provide help through our Emergency shelters when there is an urgent or immediate need.

We have Centers in Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke where services are provided for helping families to rehabilitate as families and for family education and preventive services.

Through these Centers those in charge seek to give Christian love and guidance.

In 1970, we opened our Maternity Home in Asheville and since then there have come more than 300 girls for help. It is recognized for its quality of care and Christian concern.

The Child Development Center on Mills Home Campus in Thomasville provides a program to help churches in establishing services in their churches for preschool age children, Nursery School education, Day Care and Kindergarten. Any church feeling the need for assistance in the development of this program is invited to take advantage of this.

Our program of love for children and sympathy for families touches the hearts of all concerned Christians and we rejoice in what we are

able to accomplish as we work together in giving and serving.

CHRISTIAN ACTION LEAGUE REPORT

The North Carolina Christian Action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

In the legislative program of the League a questionnaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the disemination of hardcore pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr., of Wake County. It is hoped that this law will regulate and eventually do away with hardcore pornography in North Carolina. The bill was amended many times, but the strength of the statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandise whiskey like apples and oranges, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which has an ABC store to determine if liquor-by-the-drink sales would be authorized. This bill would have allowed the addition of such sales on top of "brown-bagging." In other words, a restaurant which qualified could have had both types of permits. This would have given North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornography bill, this measure passed

the Senate by 24 to 23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least fifteen votes, made a last minute move which sent the bill back to the House ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage them in opposition to the bill or request their support for the defeat of Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

D. P. McFarland, Executive Director

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977, was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pators have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous

financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council majored on two aspects in 1977 — the family and legislative issues. W. Douglas Cole became Director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

DIRECTOR OF MISSIONS REPORT

The church year, 1976-77, has been another good one in the work of our association. A great spirit of unity, cooperation, and fellowship prevails amongst our pastors, people, associational officers and committees. We give to God the glory and praise for all that has been accomplished and is being done for the advancement of the cause of Christ. We continue to thank God for all of you and all that you are doing and for your love for us and your cooperation with us.

Christian fellowship continues to be enjoyed as we share with our pastors and their families in personal visits, in their church services, pastors conferences, prayer meetings, and other ways. We have carried six new pastors and wives out for a meal on behalf of the association.

During the church year, it was my privilege to visit at least once in all of the sixty churches, a total of 120 visits. It was my privilege to preach 39 times in regular morning worship services, three Deacon ordination services, once on the work of the association and once on the Cooperative Program. Myrtle and I shared in the teaching of the Home and Foreign Missions studies for twelve of our churches.

Mr. Clayton Purser, Associational Sunday School Director, and his Associate, Mr. Olin Trull, and I planned and conducted a Pastor-Sunday School Director Workshop. We, along with our leaders in the Sunday School Department of the Baptist State Convention, planned and conducted a training school for Sunday School officers and teachers.

We have had several very important clinics and conferences providing training for our pastors and people. It was my responsibility and privilege to lead in planning some of these and to work with lay leadership in planning others and to help carry them out. We had State and Southern Baptist Convention leadership working with us in some of them. The Clinics and conferences were: Social Ministries Conference, Church Music Conference, Brotherhood and RA Workshop, ABC's of Church Administration Conference, Church Training Conference, Vacation Bible School Clinic, State Missions Interpreters Training, Brotherhood Clinic, Pastor-Sunday School Director Workshop, Clinic for Church Clerks.

I have attended and participated in the following area, state, and Southern Baptist Convention Meetings: Director of Missions Conference at Baptist Building, Raleigh; Sunday School Teacher Learning Workshop, Charlotte; Metrolina Area Director of Missions Meeting, Charlotte; VBS Clinic at Caraway (2 days); Up-date Seminar at the Sunday School Board, Nashville (5 days); State Missions Banquet and Promotion, Greensboro; Sunday School Seminar led by State and SBC leaders Greensboro; Sunday School Briefing Meeting, Charlotte; Luncheon Meeting at Meredith College for Cooperative Program Promotion; General Board Meeting, Wingate College; State Workers and Directors of Missions Planning Meeting at Wingate College (3 days); Director of Missions Conference, Caraway; Metrolina Conference of Directors of Missions, Gastonia; Week of Christian Study and Fellowship, Mars Hill.

We attended the Baptist State Convention in Fayetteville, State Evangelistic Conference in Greensboro, and the Southern Baptist Convention in Kansas City, Missouri. There were special conferences in each of these for Directors of Missions.

I have participated in two World Missions Conference, one in the Brunswick Association and one in the Stanly Association.

I have participated in the following local conferences: 148 individual, 16 group and 22 committee.

We have compiled, published, and distributed an average of 1300 newsletters per month in order to keep our people informed about the work of the association and conventions.

The New Year presents to us many opportunities for training, service, and fellowship. Let us pray that it will be another good and profitable year for all of us.

Ellis L. Marks

EVANGELISM REPORT

The Pastor's Evangelism Planbook 1977-79: EVANGELIZING AND CONGREGATIONALIZING has already been sent to all churches. It includes various emphases on The Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the thirty-first Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over five hundred youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week — June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance,

and recreation.

About 12,000 youth, pastors, and adult leaders are planning to attend the seventh Statewide Youth Evangelism Night — August 19 — at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida, were the guest preacher and soloist. All youth who make decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the State are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W. — Win Our World — has to do with specific witness training for youth in the local churches.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in associations across the State. Good reports on revival meetings and citywide crusades have been received.

The thirty-second Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

GENERAL BOARD REPORT

The overall picture of the work of the General Board this year has been "Bold Missions." Everything Bold as we face the year 2,000 to have preached or reached the entire world for Christ. We could feel this outreach in the reports and messages. Baptists feel this is the time that God has called us to go forward in a Bold way.

Phase I Cooperative Program under the Bold Mission Thrust is — $13,500.000 and Phase II is $1,250,000. We are happy to report that Richard Smith said at our last meeting that our giving is on solid and firm ground, that all looks healthy and well.

We feel that God has been at work in this for some time. When jobs were scarce, our giving for missions kept the boldness alive within our hearts and lives. There are more and more young people with a desire to give themselves over to the work of the Lord. All this, with the time, tools, etc., to minister to the whole world will call for the doubling of the budget by 1982. A "bright future" but look for a moment at the past. At the Convention a year ago, we had only forty registered mssengers. Following are some facts: 2877 messengers from 1267 churches — this means that 2099 churches were not represented. Six associations without a single messenger while they had a potential of 252. Twenty associations had eight or less — this is ¼ of our associations. Five hundred five churches had only one messenger — four hundred forty-six had only two messengers. This means that three hundred thirty-seven churches had the greater voice but only represents 10% of the total number of churches. Our prayer is that God will help us to be Bold in Charlotte in November.

Respectfully submitted,

Lawrence Funderburk, General Board Member

ORDINATION COMMITTEE REPORT

At the request of Community Baptist Church, the Ordination Committee convened at Sandy Ridge Baptist Church on January 15, 1977, for the purpose of examining James Aldridge in relation to his desire to become an ordained minister.

Committee members present were John Wood, Lee Williams, T. H. Sustar, and John Davis. Friends of the candidate present were Joe Kiker, Roy Helms, and Henry Braswell.

Areas of interest in the examination included the candidate's conversion and call to preach, Bible doctrines, missionary thrust and cooperative action, family life, finance, church administration, denominational relationships, and continuing education.

Having successfully passed his examination, the Ordination Council recommended that Community Baptist Church proceed with the ordination of the candidate. This church had previously called Mr. Aldridge to serve as its pastor.

REPORT ON PRISON MINISTRIES

We have seen a great year in the work at the Camp from our Baptist, Methodist, Presbyterian, Independent and Long's Grove Advent Christian churches, and men of all faiths helping in our work. We wish to thank each of you of our faith and the men and women of other faiths, who have made it possible for the work to be so great this past year. We have seen much good and lasting work of the Lord done. We have had many professions of faith, I do not know just how many. In our revival (Passion Week) before Easter, we had fourteen professions of faith. We have not had a baren Sunday for several Sundays. The different preachers call me often saying that they have been there and preached. We had a social each month up until June of this year, sponsored by some churches in the county, and the pastor of the church brought the message of the hour. Our last social in June was sponsored by Union Grove and Brother Raymond Owens could not be there. We searched for a man to preach for us in his place and we got Evangelist Russell Coyne who is an ex-con and now is a world-wide evangelist. He lives in Tulsa, Oklahoma. At the close of his message we must have had over one hundred of these men to come forward for prayer, saying they knew they were lost and needed to be saved.

Out of all the professions of faith we have had, on August 6th, twenty of those men were baptized there in the Camp. We had a pool brought in from Richmond, Va., and Brother Lewis McLean baptized eighteen of those men and a preacher from Stanly County baptized

two. We are looking forward to having another Baptismal Service in the future.

We are still having professions of faith in most of our services and we see a lot more interest in our services. As I have gone there to do the Lord's work, I have tried to speak for every church in our Association and tried to show the Spirit of Christian love that I believe you would want me to show. I have tried to carry the message of the love of Christ in message there. Let me say thanks for letting me be your servant for these last three years. I am still going to work with the Camp even though I am not on the Committee any more because I love the work and the men and they love me. Any way that I can help any of our churches out there at the Camp or any other way, I will be glad to do so any time.

Oscar Helms, Chairman

RESOLUTIONS COMMITTEE REPORT

Be it resolved that the Ebenezer, Faith, Friendly, Hillcrest, Indian Trail, New Salem, Pleasant Pines, Secrest Grove and Shiloh Baptist Churches be commended for the splendid way in which they entertained the Association with food and fellowship. Let it be further resolved that the First Baptist Church of Indian Trail and the Shiloh Baptist Church receive further commendation for the use of their facilities, the care they have given us, and the spirit in which they gave it.

Be it resolved that our Moderator, W. L. (Wild Bill) Culbertson, be shown a standing vote of appreciation for his two-year term as Moderator. But, be it further resolved, that he be exhorted to get a new joke writer.

Be it also resolved that John Raymond Owens, the Executive Council, and the officers of the Association who have given so much of their thought, prayer and time be thanked and commended for their service.

Our Associational Director of Missions, Ellis Marks, having completed four years of service, has filled many voids in all of our lives and the lives of the churches, so be it resolved that he be shown our love and appreciation with a resounding "Amen."

Our Southern Baptist and North Carolina Baptist Leaders are seeking to awake us and lead us into BOLD MISSION, be it resolved that we assure them of our prayers and services, that each of us will seek to lead another person to Christ and exhort our fellow church members to do so as well, that we will seek to lead our churches into bold giving through the Cooperative Program, and that we will

remember our fellow witnesses in prayer each day.

Be it resolved that the Association go on record as desiring that every church should continue or undertake a consistent prayer life for our country and its leaders; that we will let them know of our prayers, praise for their work when it is good, criticism when it is bad, or inconsistent with the best interest of all people, and of our desire for a way of life more consistent with our avowed national and personal ideals.

Respectfully submitted,

Joe Larrimore, Chairman

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions." *"But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth."* This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In I Corinthians 3:9, the apostle Paul says, — *.....we are labourers together for God."* We must continually challenge one another as Baptists to minister in Christ's name through the Church, through the Association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches.

WE RECOMMEND THESE GOALS:

1. Every church in the Association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the Association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.

4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers In Giving Through A Growing Commitment."
5. That an Associational Stewardship Conference be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

WOMAN'S MISSIONARY UNION REPORT

During 1976-77 Woman's Missionary Union has emphasized "Teach

Missions" and "Minding the Future." The Associational WMU officers have promoted these emphases as well as the total WMU program. Training for local church WMU officers, associational WMU activities for all age levels, and help with beginning new WMU organizations have been the task of the Associational WMU Council.

The local church WMU's were offered training through a leadership conference, mission study institutes, mission action workshop, manual study, and training for day camp workers.

The annual meeting was held on March 31 at First Baptist Church, Monroe, using the theme "In His Presence . . . The Fullness of Joy." The missionary speakers were Rev. Moises Valdes, missionary to Spanish in Charlotte and Miss Pat Ritchie, State WMU Girls in Action/Mission Friends Director. Each age level, except Mission Friends, had two or more associational meetings. Friendship Baptist Church in Monroe was the meeting place for the Baptist Women's World Day of Prayer observed in November by the Baptist Women and women from the four black conventions. More than 200 girls participated in GA Day Camp.

During the year new organizations have been started in several churches. The Baptist Women were re-organized at Providence and Hermon. A Baptist Women has been organized for the first time at Clearview and Grace.

Recipients of the Mary Blair Scholarship, worth $300.00 each, for 1977-78 are Melody Austin Pressley, Mill Creek Church, and Sandra Gail Pressley, Midway Church. These scholarships are awarded to two freshmen at Wingate College.

The associational WMU continues to be concerned about the eleven churches with no WMU work, about the seven churches which provide missionary education for women only, and for those churches which do not financially support the Southern Baptist mission program.

Helping all people everywhere to know Christ as personal Savior is the mission of Woman's Missionary Union. This is accomplished through knowing about missions, participating in missions, and supporting missions through praying and giving. *"Wherefore take unto you the whole armour of God, that ye may be able to withstand the evil day, and having done all, to stand."* Ephesians 6:13.

Dr. Marian Hume, Director

* The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with

regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principals.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V — Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the un-expired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI — Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions,

Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII — Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII — Trustees

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action: neither shall they have

any control over the use of the Associational property except by vote of the Association.

ARTICLE IX — New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X — Procedure

AMERICAN BIBLE SOCIETY

During 1977 more people were reached with God's Word than ever before in Bible Society history.

The only goal of the American Bible Society is to translate, produce, and distribute Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort to "Let the Word Speak" to all people, the ABS, and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries.

Distribution of Bibles, New Testaments, and Scripture portions has increased significantly in many areas of the world because the level of literacy is so low. The Society's answer to this problem is the GOOD NEWS FOR NEW READERS program, where those just beginning to read can discover God's Word through a graded series of Scripture selections in a language and format they can easily read and understand. By the end of 1977 New Reader translations of Scriptures had been undertaken in 328 languages.

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never before had the Word of God in their own language, received a portion of Scripture for the first time.

Income from Southern Baptist Churches during 1977 was down $23,723 from 1976. Southern Baptist Churches are encouraged to give $.04 per member. This would help the United Bible Societies to reach the goal of doubling income from local contributions by 1980. Reaching this goal would help make certain that the Bible Society will be able to provide the Scriptures needed by the Southern Baptist Convention in its goal ministry.

The Bible Society asks for your continued prayers as they continue efforts to bring God's Word to those who desperately need it.

ANNUITY BOARD

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.

2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 — including relief.

Total assets climbed to $498,977,661 compared with $473,142,631 a year earlier.

BAPTIST FOUNDATIONS, INC.

A survey in several counties representative of the cross-section of our State has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. Thirty percent of the decedants died without a written will.

2. Very little was provided for the church or any charitable cause through the wills that were probated. (Six-tenths of one percent was given **all** charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.)

3. Forty-five percent of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.

4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist population in the State, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1 Prepare a will or have their will updated.

2. Provide for their church pledges and commitments to be fulfilled through their will.,

3. Seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church — an amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount.) These two persons, through their wills, will double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has received $198,139 in addition to the trust funds being held. Twenty seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or revised by a local attorney.

Edwin S. Coates, Executive Secretary

BIBLICAL RECORDER

Think about it for a minute. What if there were no **BIBLICAL RECORDER?** What means of communication would keep our Baptist people together in the State? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the **BIBLICAL RECORDER** has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the **BIBLICAL RECORDER** is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the **RECORDER** pay? Recently the **RECORDER** published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty nine of the 50 had a good **RECORDER** club, many of them sending the **RECORDER** to every resident family. The **BIBLICAL RECORDER** had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the **RECORDER** through the church budget at a cost of only 6¢ a week. Everyone benefits when the **RECORDER** goes into every home.

The price of the **RECORDER** remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the **RECORDER** in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the **RECORDER** for information about matters as liquor-by-the-drink. This is only one reason for every church to have a good **RECORDER** club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the **RECORDER** in associations and churches. He is loved by people all over the State and we are glad that he will continue to be identified with the **RECORDER** when needed for special assignments.

BROTHERHOOD REPORT

During the 1977-78 fiscal year, the Brotherhood Commission emphasized mission education, mission commitment, evangelism and leader training.

While enrolment of men and boys in Brotherhood units dropped by 1.2 percent to 473,309 at the start of the year, the number of churches with Brotherhood work increased by 52 to a total of 15,359.

Churches with Baptist Men's work increased by 408 and those with Brotherhood directors by 316.

In the area of mission education, a long-range plan to provide

every Southern Baptist church with mission information and opportunity for involvement in missions progressed on schedule.

The Commission is working with Woman's Missionary Union, Foreign Mission Board, Home Mission Board, and Sunday School Board through a Mission Education Council to complete this project.

The project calls for researching and developing a correlated program designed and missions curriculum, a convention-wide plan for mission education, and a national merchandising plan for mission education materials.

The project is designed to help implement Bold Mission Thrust, the effort of Southern Baptists to communicate the gospel to every person in the world by the year 2000.

Working with WMU, the Commission helped sponsor a Bold Mission Leadership Conference at Glorieta Baptist Conference Center which attracted 2,039, an increase of almost 25 percent over a similar conference a year before.

An emphasis on the involvement of lay people in denominational activities and vocational witnessing drew 8,500 to Atlanta for 15 vocational breakfasts and a bold mission rally featuring President Jimmy Carter, a leading Southern Baptist layman.

At the same time, the Commission led in arranging world missions conferences attended by more than one million Southern Baptists.

In the area of mission commitment, the Commission strongly encouraged Southern Baptists to become involved in missions as short-term volunteers, particularly through the Mission Service Corps.

The agency also developed new ministries and supporting materials in the areas of lay-led revivals, prison ministries, Bible distribution and retirees in missions.

Besides involving about 5,000 persons in renewal events, the Commission conducted research in 20 churches on the best ways to communicate the theology of the laity. In another new venture, 50 couples were trained to conduct mission and ministry weekends in their churches.

The Commission continued to bolster its corps of trained leaders, preparing about 600 specialists to help 33 state Baptist conventions train church and associational Brotherhood officers.

Among the specialists were persons equipped to help churches organize Brotherhood units for men and boys who speak Spanish, Chinese, and Korean.

Southern Baptists' allocation through the Cooperation Program for these endeavors was $522,500.

BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina have one of the outstanding child care programs and with each year is trying to more efficiently meet the needs of neglected, dependent children and their families.

In 1885, ninety three years ago, North Carolina Baptists saw the need for providing for children and organized Mills Home in Thomasville. Since that time, the following homes have been organized: Kennedy Home in Kinston; Odum Home in Pembroke; Greer Home in Chapel Hill; Broyhill Home in Waynesville-Clyde; Wall Home in Wallburg; Maternity Home and area office in Asheville; Ocean Isle in Emerald Isle and area offices in Raleigh, Fayetteville and Charlotte. The general administration offices are located on the Mills Home campus in Thomasville.

Our several Children's Homes work closely with the Social Service program in each county in trying to meet the needs and in an effort to keep the children in the area in which they have lived, in counseling with parents and seeking to keep families together.

We need to visit and to be informed about the services which are offered through our Homes and to support them in every way. We can give financial help through special offerings, through designated gifts and regularly through our Cooperative gifts. We need to keep our Children's Homes and all that is being done through them, in our prayers. More dedicated, qualified men and women who love children and are willing to give of themselves in teaching and in training are needed. This Christian service is an investment in lives in the name of Him whom we serve and the opportunities are ever before us.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina support and operate, through elected trustees, six colleges and one University: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that *"The heavens declare the glory of God."* The historian's pen and the biologist's microscope are welcome allies to those whose quest is *"That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."*

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholorships are available for those who need them.

North Carolina Baptist Colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

Council on Christian Higher Education

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were addressed by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina

Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber", a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 was World Hunger Day amoung Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is what the Council seeks to do.

CHURCH TRAINING

Can you imagine what it would be like to be a slave? Wouldn't it be terrible to be in such bondage that someone could put you on a slave block and sell you to the highest bidder? Imagine, if possible, that you are on the slave block and people are bidding. First, this one price and then another until finally someone pays a higher price than anyone else is willing to pay. Now you belong to that person who paid the highest price. But then he takes the bill of sale and writes across it: "Set Free." In the eyes of the first-century world, you would have been redeemed. In Christ, we have been set free from bondage of slavery to sin and to Satan. Christ paid the price for us and set us free. With this freedom, burning in our hearts, one would think our churches would be running over on Sunday nights with members who were trying to train and prepare themselves to serve the One who set them free. However, the reverse seems to be happening. Fewer and fewer churches even open their doors on Sunday nights. Apathy seems to have set in even among the elect. My prayer is that there will be an awakening in our churches to the needs of training our young people who are the church leaders of tomorrow.

Two associational meetings were held during the year. "Mobilization Night" at Sandy Ridge Baptist Church and "Youth Night" at Oak Grove Baptist Church. Dr. B. Paul Hammack was the featured speaker at the "M" Night program and attendance was fair. Attendance at the "Youth Night" program was poor.

DIRECTOR OF MISSIONS REPORT

The Church Year, 1977-1978, has been one in which the churches of the **Union Baptist Association** and the Association have experienced many spiritual and material blessings. All Key Leaders and Committee Members of the Association have worked very closely and cooperatively with me in making the year a good one. Pastors and churches have been very cooperative, also. We express our appreciation to everyone and our gratitude to God.

The fellowship that we enjoy as we share with our pastors and their families in personal visits, in church services, pastors conferences, prayer meetings, etc., is of the finest quality. We have taken four new pastors and wives out for a meal on behalf of the Association.

The year has afforded me opportunities to make 125 visits in our churches, once or more in 54 of the churches. I was given 31 opportunities to preach, 3 to teach January Bible Study, the Book of Exodus, to share with my wife in the presentation of the Mission Studies, and to participate in other special studies with our churches,

The following clinics and conferences were provided for our pastors and people by the Association and Convention: January Bible Study preparation, Family Life Conference, Key Leadership Conference, and Clinic for Church Clerks. It was my privilege and responsibility to share with other associational and convention leadership in planning and offering the above opportunities.

The following activities were promoted and participated in by the Director of Missions: Pastors' Conferences and Prayer Meetings, Associational W. M. U. Annual Meeting, "M" Night, Youth Week and Night, quarterly Council and Executive Committee Meetings, Weeks of Prayer and Offerings for the Association, Home and Foreign Missions, Cooperative Program, and Vacation Bible School Clinic.

I have been and continue to be involved with the office building planning committee in drawing up proposed plans for the building.

I have attended and participated in the following area, State, and Southern Baptist Convention meetings: Baptist State Convention Director of Missions Conference, Pastors' Conference, and Convention, Charlotte (3 days); Director of Missions and State Staff Conference at Raleigh (2 days); Statewide Conference on Evangelism (2 days) in Greensboro; Director of Missions Continuing Education Program at Southeastern Seminary (2 days); Regional Training Clinic for State Missions Interpreters, Wingate College; State V. B. S. Clinic at Caraway (2 days); Key Leadership Conference, Ridgecrest (3 days); Adult Start-A-Class Clinic, Charlotte; Children's Homes Conference, Thomasville (2 days); Director of Missions and State Staff Planning Meetings, one at Caraway and one at Wingate; Southern Baptist Convention, Atlanta, Georgia (3 days); Director

of Missions Conference, Wingate College (5 days); Alumni Weekend, Wingate College, delivered message for Vespers Service; Week of Christian Study and Fellowship, Mars Hill (4 days); and Home Missions Week, Ridgecrest (5 days).

I have participated in the following local conferences: 143 individual, 17 group, and 19 committee.

Information about the Association and conventions has been provided for our people by compiling, publishing, and distributing an average of 1350 newsletters each month.

Let us commit ourselves afresh and anew to God that He may be able to work in and through us during the new year in order that greater things will be accomplished in and through our Association and churches for the strengthening of our people and the winning of the lost to Christ.

Respectfully submitted,
Ellis L. Marks

EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook — **BOLD EVANGELISM THROUGH THE LOCAL CHURCH** — to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the State.

"The Evengelistic Church on Bold Mission" was the theme of the Thirty-second Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one-week youth revivals and directed youth witness training in many churches across the State. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors, and adult leaders were expected for the Eighth Statewide Youth Evangelism Night, August 18, at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to

pastors with all youth who make decisions.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one-week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The Thirty-third Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

We have had some very good reports on Lay Witness weekends and local revival meetings. We urge each pastor and church to get involved this next year in reaching the lost and unchurched. Let us be one association in the Bold Mission Thrust that is truly bold in evangelism.

William H. Bratton, Chairman

GENERAL BOARD REPORT

The General Board of the Baptist State Convention of North Carolina is the "Convention between annual meetings of the convention." The Board has the power to act for the Convention in all matters except those specifically limited by the Convention's constitution and except those assigned to institutional boards of directors and/or trustees.

General Board members, although not called "trustees", nevertheless "hold in trust" the affairs of the Convention. The Board differs from trustees in that it does not hold property as title-holder. (Convention property, such as the Baptist building, the two assemblies, and Fruitland Institute are held by Convention trustees who are not charged with management of the property or Convention programs.) The General Board is charged with the management responsibility for the Convention.

The General Board is composed of 110 persons elected by the Convention. Each one must be a member of a cooperating Baptist State Convention church.

General Board members are selected from every area of the State with at least one member elected from each of the 80 associations. In associations with 20,000 total church membership, one additional member is elected. If the membership exceeds 40,000, a third member is elected. Ten members of the Board are elected "at large" from the ten regions of the State.

In addition, only one Board member from any church and three from any association may be elected. Persons employed by the Convention or an agency of the Convention are not eligible. The Convention's President and two Vice Presidents are voting, ex-officio members.

All members except the Convention officers are selected and nominated by the Convention's nominating committee and elected by the Convention. Vacancies occurring during the year are filled on the recommendation of the Nominating Committee by vote of the General Board.

The General Board meets three times a year on Tuesday and Wednesday, following the fourth Sunday of January, May, and September, and in cases of emergency at the call of the General Seceretary-Treasurer and the President of the Board or by request from a majority of General Board members.

At these meetings, reports are given and discussed. Requests from different agencies and churches of the Convention that have been carefully and prayerfully studied and acted upon by the Executive Committee of the General Board are submitted for the consideration and action of the General Board. Some business is acted upon without discussion while some requires patient and lengthy discussion. The work of the General Board is not a cut and

dried affair but the work is done in a spirit of Christ-likeness in the best interest of the Convention and its 3452 churches.

The Church Programs Committee, of which I am a part, meets two or three times a year apart from the General Board to plan our phase of the work.

At the beginning of the year the Committee has a meeting in which members speak openly and freely. It could probably be called a time of dreaming but it is at least a time when members can all have input. Each year, we start over fresh and new. Some of the plans and ideas of the past that we failed to accomplish last year that are good, we re-submit along with new plans.

Each year we lose members and gain new ones. This adds strength to the Committee. After the Committee has decided what it wants to do or try to do during the year, it begins to ask itself questions. How much can we do? How many convention workers are available? How much money will we have for our work? This work is concerned with projects such as Back Yard Bible Schools, Sunday School Workshops, Deacons Schools, etc. With all of the planning and with the fine leadership of Dr. Ray and his able staff, it is all for naught if it doesn't reach the members of the churches. We must inform and work with members of the churches.

The Lord's business is the most serious business in the world. In 1977, we had 3452 churches which was a loss of 14 churches from the year before. Of these churches, 726 had no baptisms. With an average of about 317 members per church, this means that approximately 30,000 church members lived in an atmosphere that completely forgets the chief ministry of the church — the Salvation of the lost. This is not the sinner's fault but the church's fault.

We might want to boast of the 22,497 baptisms last year, but this was 3,763 less than 1976. With our better educated ministry, our more enlightened people, our finer buildings and our bigger budgets, we are missing the point.

Thirty-two years ago, I came here as a home church Pastor. In the first five years, I baptized 85 candidates. I am not doing that today with all of the years of experience and other advantages that I may have.

Where are we failing as churches?

BAPTIST HOMES FOR THE AGING

Since becoming Director of Development and Denominational Relations for our Baptist Homes for the Aging, around three years ago, Ralph Cannon has offered to people, on the many occasions that he has spoken at Associational meetings, in churches, and special gatherings, a dollar bill if anyone in the group could name our current five Baptist Homes for the Aging, and the sixth Baptist Home under construction in Asheville. One person, in all this time, has taken his dollar away from him.

North Carolina Baptists have the following Baptist Homes for the Aging:

1. Resthaven, located in Winston Salem, with space for sixteen residents;

2. The Hayes Home and Nursing Care Unit, in Winston Salem with space for forty-six residents, and seventy-nine patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed, either for Intermediate Nursing Care, or Skilled Nursing Care.

There is also a duplex apartment complex at the site of the Hayes Home in Winston Salem with space for 120 people.

3. The Albemarle Home, in Albemarle with space for thirty residents;

4. The Hamilton Home, in Hamilton, with space for twenty-eight residents;

5. The Yanceyville Home, in Yanceyville, with space for thirty-one residents;

6. The Western North Carolina Baptist Home, in Asheville, with space for fifty residents, now under construction.

This means that there will be accomodations for 300 people in all of our six Baptist Homes, the apartment complex, and the Nursing Care Unit, when the Western North Carolina Baptist Home, in Asheville, is completed. This lovely facility is now under construction, and it is anticipated that it will be completed and ready for occupancy by February 15, 1979.

Our Baptist Homes for the Aging have received vital support from our more than 3400 Baptist Churches through two vital sources through the years:

1. The Cooperative Program, which supplies about 8% of our total budget;

2. The Special Offerings which supply 16% of our total budget.

These gifts are used to supplement the care of the majority of the residents in our Baptist Homes and are a life-line; therefore, to residents who could not possibly pay the cost of care if it were not for these gifts. We are grateful for these gifts and for every church and every person who has had a part in making them possible.

Since our February, 1978, offering for the Baptist Homes was the last Special Offering ever, we are greatly concerned that our churches and our people continue in an ever increasing manner, their loyal support for the Homes. The total goal of the State Missions Offering for 1979, in which we will share with our other Baptist institutions, and with the specific causes of State Missions is $2,000,000. Our Baptist Homes will receive $300,000.00 from this offering, if the total goal is reached. If not, we will not receive that amount. This figure of $300,000.00 from the time it was projected, until September,

1979, will represent a period of two years. During this period, we will most likely have to borrow money to operate the Homes for the Aging, since we normally receive $300,000 from the special offering.

Also, of great concern is the fact that we are scheduled to open the Western North Carolina Baptist Home, in Asheville, around February 15, 1979, to accomodate fifty additional people, prior to the September, 1979, State Missions Offering and with no additinal percent of the Cooperative Program dollar. In fact, we receive 1-2/10% of the Cooperative Program, and this percent has not been changed during the 27 years of the ministry of the Baptist Homes for the Aging. Though the Homes receive more money through the Cooperative Program than formerly, in dollars, around $155,000 the percent of the budget of the Homes provided through the Cooperative Program has dropped 10% to 8%. The needs of the Homes for the Aging are greater than ever, and we are vitally concerned about how those needs are going to be met. It is estimated that we will need an additional $100,000 to operate the Western North Carolina Baptist Home. From whence shall this come? We believe that it will come from our Baptist people, that we are a people on bold mission for the Lord, that we will trust Him more for our needs, and pull together, in meeting the 1979 State Missions goal of $2,000,000, that we will give more through the Cooperative Program for all of our Baptist work and causes!

Of interest in our Homes for the Aging in projected growth and service is a new proposed wing to the Hayes Home in Winston Salem which will house 51 additional patients and residents and bring our total capacity in all of the Homes and the Nursing Care Unit to 351 persons.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. We must continue to prepare for them and move out, by the Lord's help, to undertake more for them in our churches, our communities, and in our Baptist Homes for the Aging.

Will you join us in our prayers and in our plans for those aging persons who look to us for help?.

BAPTIST HOSPITAL

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more

than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this Department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used to staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the Department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center resolved accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

NEW CHURCH COMMITTEE REPORT

As you know, for the past two years the Grace Baptist Church has been under the watchcare of the Association. When meeting with the Committee, I was deeply impressed by what they were doing and by the sincerety of the request to come into the Association. Grace had representatives at the first two Executive Committee meetings, but had none at the last two. Recently, I spoke to the Pastor, Rev. Haskett. He informed me that the Church no longer desired to persue the request for membership in the Association. I give this as information.

ORDINATION COMMITTEE REPORT

The Committee on Ordination, which is composed of Gerald Lanier, Woody Funderburk, J. Howard Williams, Dallas Graham, Bill Clapp, Glenn Gaffney, T. H. Sustar, and Lee Williams, met two times during the year.

At the request of Oakland Baptist Church, the Committee met with the Pastor, the Rev. Glenn Gaffney and Ricky Anderson on January 29, 1978, to examine Ricky Anderson for the Ministry of the Word. The candidate was examined in the area of Christian experience, Bible Doctrine, and Baptist life. After passing his examination, he was recommended for ordination, which the Oakland Church did in the evening service. He was called as pastor of Cedar Grove Baptist Church in the Anson Association.

The Committee met again on Sunday, February 19, 1978, at the request of the New Salem Baptist Church with many of the brethren of the Church to examine Phillip L. Hunter for the Ministry of the Word. The candidate was examined in the area of his Christian experience, Bible Doctrine, and Baptist life. After passing the examination, he was recommended for ordination. Immediately following this examination, he was ordained by the New Salem Baptist Church. He was called to be pastor of Liberty Hill Baptist Church in the Montgomery Association.

PRISON MINISTRY

We have had regular services on Wednesday afternoons for the Sunday School lessons of the week and for spiritual counseling and religious training. We had a revival March 13, beginning Monday before Easter which was Passion Week. We had great services each day. We had a different preacher each day. Each day souls were saved.

The captain of the camp and personnel liked the services so well they asked us to have another one. They said they could tell a big change in the ones that were saved. We had a second one beginning on Monday after the second Sunday in June. We had souls saved in every service, also. We also had different preachers every day. Some Baptist, Methodist, Presbyterian and some Independent churches. We also had the pastor from Shiloh Advent Christian Church and also some from black churches.

Then on Monday after the first Sunday in July, we had a revival that was conducted by the inmates themselves. They did all of the singing, praying and preaching.

We had a wonderful time in the Lord. We had souls saved in this meeting as well as the other two. They say they can tell a difference

in the men who have been saved. We had 29 professions of faith this year. We have nine requests for baptism, but we only have 4 of those in camp, 5 have been moved out. Pray for us and our work there as we go forward for the Lord.

In that October is Cooperative Program month, Be it Resolved that we reaffirm our support of this God inspired method of supporting together on a work around the world.

Be it further resolved, that we, the **Union Baptist Association**, take home to our churches a new zeal and leadership to become truly Bold Missionaries, entering into covenant with one another, the State Convention, and the Southern Baptist Convention in seeking to "save that which is lost" and "Grow into the measure of the stature of the fullness of Christ."

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

This is one of the most exciting times of all history to be alive — expecially if you are a Christian and a Southern Baptist.

Ever since Jesus was on earth we have had the Great Commission to "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, Teaching them to observe all things whatsoever I have commanded you and lo, I am with you alway; even unto the end of the world." Matthew 28:19-20.

Our emphasis on Bold Mission Thrust calls for Southern Baptists to perceive and accept our mission in enabling every person in the world to hear and respond to the gospel of Christ by the year 2000 A. D. What a challenge — sharing the gospel of Jesus Christ with every person in the world by the year 2000!

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Let every church in our association demonstrate its commitment to the world mission task through serving and giving.

Our association held on April 1 and 2, 1978, a Stewardship and COOPERATIVE Conference. Mr. Larry C. Williams, Campus Minister, Meredith College, and Rev. Ellis Marks, our Director of Missions, led us in this Conference.

On Saturday evening, April 1, Wingate College was host meeting place for our dinner meeting. Twenty-three churches were represented.

Some goals for the coming year are:

1. Every church in the association praying for the Cooperative Program for Bold Mission Thrust support.
2. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust support.
3. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
4. Every church in the association increasing the percentage of the total budget income for the support of Associational Missions.

WOMAN'S MISSIONARY UNION

The emphasis "Teach Missions: To Be, To Do" has permeated the year's work as the women have been involved in the Bold Mission Thrust.

Forty-nine churches report WMU work at the end of the year, leaving eleven churches with no WMU organization. During the year Faulks has added a full-graded WMU to its existing Acteens organization. Sunset Park has reorganized after a lapse of several years. The Baptist Women at Clearview ceased meeting. New youth organizations and BYW's have been added in a number of churches. Associational meetings have been held for all age-levels except Mission Friends. Ana de Souza, daughter of a Brazilian Baptist pastor, spoke at the GA meeting in February. More than 200 attended GA Day Camp in May when they studied Korea. The Acteens have

met quarterly with excellent attendance. The Acteens Planning Group assumes much of the responsibility for these meetings. The BYW had an inspirational meeting in February emphasizing spiritual growth. In November, the Baptist Women observed the Baptist Women World Day of Prayer with the women from the General Baptist Convention. A fellowship meeting was held in February by the Baptist Women.

"Til All Tribes and Nations" was the theme for the Annual Meeting in April held at the Oak Grove Church. Miss Sara Ann Hobbs, Director of Estate Planning, North Carolina Baptist Foundation, spoke on "Women: Missions and Money." Rev. W. O. Hern, missionary to Lebanon, shared experiences in his work there and in his current work with Arabic-speaking people in North Carolina.

In addition a two-night Leadership Conference was held, the manuals for each group were taught, training in teaching the Foreign Mission Series was provided, and a training session for GA Day Camp workers was held. The associational WMU officers have attended both state and national meetings. Again, the Associational WMU is DISTINGUISHED.

Sharing the Good News at home and abroad continues to be a concern and a challenge for dedicated women in WMU.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1886 the name of Union Association occurred.

BOLD COMMITMENT

Constitution of the Union Baptist Association

ARTICLE I — NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II — PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III — MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV — AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of

this Association. It shall be the responsibility of the Executive Committe to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V — OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the un-expired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI — EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at

each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII — ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII — TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Associational authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX — NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association that the applicant come under the watchcare of the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring chuch can be found and is deemed appropriate by the Committee.

ARTICLE X — PROCEDURE

The business of the Association shall be conducted according to "Robert's Rules of Order," where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI — AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII — ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

By-Laws

ARTICLE 1 - Time of Annual Meeting

The Association shall meet annually on the Tuesday and Wednesday immediately following the fourth Sunday in October. However, in case of some unavoidable circumstances that make a change in the date of the annual meeting necessary, the Executive Committee shall have authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks before the stated time for the annual meeting and at least two weeks in advance of the new date for the annual meetings.

A special meeting of the Association may be called by the Executive Committee, provided that a notice of the time, place and purpose of such meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

ARTICLE 2 - Opening

Meetings of the Association shall be opened with a devotional service and closed with prayer.

ARTICLE 3 - Order of Business

An order of business shall be adopted at the beginning of each session and shall be changed only by a two-thirds vote.

ARTICLE 4 - Church Letter

ARTICLE 5 - Moderator and Vice-Moderator

The Moderator or Vice-Moderator shall preside at all meetings of the Association. Proceedings of Special Called Meeting Of Union Baptist Association November 28, 1978

1. The Union Baptist Association met in a special called meeting on November 28, 1978, at 7:30 p.m. at Oakland Baptist Church.

2. The meeting was called to order by the Moderator, John M. Wood.

3. After the singing of "To God Be The Glory," Bill Bratton read from the 19th Psalm and John Crain led in prayer.

4. Roll call of churches with messengers from 32 churches in attendance. (90 messengers and 7 visitors)

5. The Moderator stated the purpose of the special meeting: that being to deal with plans of the proposed Associational building and the bid that has been presented. Drawing of the proposed building was shown on projector. There was a period for questions and answers regarding the proposed plan.

6. Lex Funderburk gave the bid. In his remarks, he stated that bids were received from seven contractors and the lowest bid was in the amount of $103,446.76 from Melvin Mullis, Contractor. The question was raised in regard to the financing of the building. It was pointed out that the Building Planning Committee and the Finance Committee had been asked to serve as a Committee to look into the financing. Lex Funderburk, as Chairman of this Committee, reported that they had talked with American Bank & Trust Company about the possibility of securing a loan. He stated that a loan in the amount of $100,000 or more could be obtained for 9¾% interest for five years. Loan to be set up as a ten-year loan with no change in interest rate for five years. (The money could be obtained as needed.) After much discussion regarding the loan, how it could be repaid, etc., Joe Larrimore made a motion that the Building Finance Committee be authorized to borrow up to $110,000 to be used for

the building of our building. Seconded by John Crain. (also Leonard Horne) There were more questions concerning the financing. A motion was made to cut off debate and vote on previous question. Vote was taken: 70 in favor and 14 in opposition.

7. The Moderator stated that authorization needed to be given to the Trustees to sign necessary papers to secure monies including a second mortgage on the Associational parsonage which would be held by American Bank & Trust Company. Boyce Catoe made a motion that such authority be given. Second by Robert Howard. Motion carried.

8. C.H. Arrowood, a Trustee, stated that he opposed a second mortgage being on the house and offered his resignation from the Board of Trustees. Leonard Horne made motion to accept resignation and C.W. Teague seconded the motion. Vance Edwards pointed out that the meeting had been called for a specific purpose and that this business was out of order. Hence, motion and second were withdrawn. This to be dealt with at Executive Committee meeting in December.

9. Ward Gandy stated that since there was some opposition to the matter at hand, he made a motion that we be united in this matter. Vote was unanimous.

10. Motion to adjourn by Gerald Lanier.

11. Closing prayer by Bill Clapp.

Annuity Board Report

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.
2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13 million.
3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of $25 million by 1988 was set.
4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545 with 3,721 members upgraded programs.
5. Participants in the new Southern Baptist Retirement Program grew to 3,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.
6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

American Bible Society

For 163 years, the American Bible Society has been a non-profit, nondenominational religious organization. Its sole purpose has been to translate, publish, and distribute the Scriptures without doctrinal comment. ABS was founded in 1816 to supply men and women, both in America and abroad, with the written Word of God in a language they can understand and at a price they can afford.

During 1978, one or more complete books of the Bible in 31 languages were published. The Bible appeared for the first time in two languages; the New Testament in 36 languages; first published translations of a complete book in 28 languages. Support for translation continues for many languages.

ABS distribution in the United States totaled 127,414,817 Bibles, New Testaments, and smaller portions of the Scripture. ABS funds supported the publication and distribution of millions of Scriptures overseas also.

Special editions for the blind and handicapped in Braille, on records, tapes and cassettes, and in extra-large print are published by ABS. Special Scriptures are also published for children, special education and new readers graduating from basic literary instruction. The New Reader Scriptures are now available in 372 languages. These publications are becoming increasingly popular, not only with students, but also with government officials looking for and eagerly accepting reading materials available at the various levels of literacy training. During 1978, much emphasis was placed on providing Scriptures for the children who will be the leaders of tomorrow.

The GOOD NEWS BIBLE and GOOD NEWS NEW TESTAMENT both continue to be purchased extensively. English Scriptures are also published in the King James Version and the Revised Standard Version. ABS stocks Scriptures in more than 100 foreigh languages.

More than 33,000 volunteers help interest people in the work of ABS and help distribute the Scriptures.

More than 90 denominations, churches and agencies contributed $1,668,148.31 to ABS in 1978. Southern Baptists continue to be the largest contributor among the denominations.

The Word of God must penetrate into the hearts of all men before the peace of God can reign on earth. Individuals can help extend the Word to hundreds of millions be sending contributions to the American Bible Society.

North Carolina Baptist Foundation Report

"Moreover it is required in stewards, that a man be found faithful."
1 Corinthians 4:2

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the State to familiarize as

many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust his assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as taking advantage of the laws of our land in reducing taxation on resources -- both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is: P.O. Box 26508, Raleigh, NC 27611.

Biblical Recorder Report

In its 146th year of serving North Carolina Baptists, the *Recorder*, like old man river, keeps rolling along. The *Recorder* faced the problems as everyone did in the past year -- price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 percent a year. This means the *Recorder* is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the *Recorder* still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the *Recorder* can still go into every home in a church for only 7½¢ a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the *Recorder* has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the *Recorder* to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by special committee.

The Southern Baptist Convention in Houston was another important story this year and, as always, the *Recorder* was there.

Even though the *Recorder* takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The *Recorder* believes in the local church as the foun-

dation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the *Recorder* better each week. Your support of the *Recorder* will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the *Recorder*, please take steps immediately to see that this is done.

J. Marse Grant, Editor

Brotherhood Report

Missions efforts of Southern Baptist through the Brotherhood Commission were marked last year by success and tragedy.

Responding to the Bold Mission Thrust concern for Southern Baptists, the agency led in preparing 325 Brotherhood training specialists to help state and associational leaders start new Brotherhood units and orient church leaders in involving men and boys in missions.

Brotherhood materials were prepared in Spanish, Korean and Chinese and leaders were trained to interpret Brotherhood work in these Southern Baptist language churches.

Advances were also recorded in disaster relief, lay renewal and World Missions Conferences.

On the national scene, the Commission arranged for President Jimmy Carter, a Southern Baptist layman, to challenge 8,000 at a Bold Mission Rally in Atlanta.

During the summer at Glorieta (N.M.) Baptist Conference Center, the Commission joined with the Woman's Missionary Union to offer a Bold Mission Leadership Conference which attracted 2,047 Southern Baptists.

While preparing to plan Brotherhood advances in the 1980's Glendon McCullough, Executive Director of the Commission, was killed in an automobile accident.

Trustees asked a staff cabinet, organized earlier by the Executive Director, to operate the Agency until they elect a new chief administrative officer. Making up the cabinet are four section directors: Bob Banks, Program; Norman Godfrey, Ministries; Lynette Oliver, Business; Roy Jennings, Communications. Godfrey serves as Convener.

During the fiscal year, the Commission plans to train 850 training specialists at 14 regional training institutes to interpret Brotherhood program improvements scheduled to reach Southern Baptist churches in September, 1979.

Other plans include 10 statewide mission prayer retreats for Baptist men, Cooperative Program prayer breakfasts in 400 Baptist associations, involvement of 500 churches in the Bold New Laity program, and the staging of a three-day National Royal Ambassador Congress for 4,000 Baptist youth, ages 12-17.

N.C. Baptist Children's Homes Report

Children in the care of Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a re-established family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Baptist Children's Homes. In the eight counties surrounding Charlotte, there is a Family Services Center, located in Mecklenburg Baptist Associational Building at 209 South Kings Drive. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home servies or placement of children for longer terms of care. This office is also able to work with denominational leaders in the area in planning programs in family education, assistance in day care and early education in churches and other family oriented interests.

Every effort is being made to be a part of and cooperate with the Bold Missions Program of advance fostered by the Baptist State Convention in cooperation with the local church.

An in-depth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, special gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Christian Action League Report

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our State and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the anti-pornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the Court. Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original LBD bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this victory.

On may 1 of this year, Brother Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the League.

Respectfully submitted,
D.P. McFarland, Executive Director

Christian Higher Education Report

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of the 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this State.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; churches all across the State answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that Committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made con-

cerning the continuation of the Wake Forest Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptist who have been supporting Christian Higher Education for almost 150 years.

Christian Life Commission Report

The past 12 months have brought little relief from the endless assault of immorality on our society. Ten million people have died of hunger in spite of important new anti-hunger initiatives. Alcoholism has repeated its annual destruction of countless lives. The senseless arms race has continued to escalate as nations have embraced ever more heinous ways of annihilating one another. Insatiable human greed has produced another round of skyrocketing inflation and another chapter in the energy crunch. Television has continued to beam its often dehumanizing and trivial view of life right into our homes. In recognition of the clear teaching of the Bible that Christians are to be on guard against the forces of evil, Southern Baptist have assigned the Christian Life Commission the vitally important task of helping the churches to resist this assault. The Christian Life Commission has sought to fulfill this task effectively this year in a variety of ways.

A piece entitled "A Dozen Actions You Can Take to Help Improve the Moral Quality of Television" was mailed to all Southern Baptist pastors to help them deal with the problem of television morality. A conference on television morality was held in Nashville and featured Bob Keeshan, better known as "Captain Kangaroo" and Tipper Gore, wife of a Tennessee congressman. In addition, twice during the year the Commission presented testimony to the Congressional Committee dealing with the rewrite of the Federal Communications Act.

In cooperation with other Southern Baptist Convention agencies, the Christian Life Commission again this year gave leadership to the planning and promotion of World Hunger Day. For the first time ever, World Hunger Day posters have been distributed free throughout the Convention. The Commission also worked with other SBC agencies to plan and conduct a convention-wide Convocation on World Hunger at Ridgecrest Baptist Assembly last fall. During the year, a Commission representative also testified before the Presidential Commission on World Hunger.

Christian citizenship has received renewed emphasis among Southern Baptists this year with the coming of the new director of Christian Citizenship Development to the Christian Life Commission staff. Through his efforts a Southern Baptist Christian Citizenship Corps is now being organized to encourage and inform Baptists as they seek to be responsible Christian Citizens. Active Christian citizenship was also encouraged through the promotion of the 1979 Christian Citizenship Sunday observance.

Through a number of ongoing programs, the Commission has made other efforts in the area of Christian morality development. A national seminar on "Help for Families" was held in Orlando and was attended by some 750 persons. A number of

small, regional conferences were held at various places in the nation, and summer conferences on "The Bible and Christian Ethics" were held at Ridgecrest and Glorieta. Literature dealing with moral issues was distributed to churches and individuals in record quantities. Race Relations Sunday was vigorously promoted across the Convention. A variety of organizational involvements were undertaken in order to deal with the problem of alcohol, and the Commission staff wrote a large number of articles, preached many sermons, led conferences and gave speeches in order to foster righteousness among our people.

The Christian Life Commission and its staff are especially grateful to God for these important opportunities to serve Him. With His continued help and Southern Baptists' continued support, we will strengthen our efforts in the year ahead to serve our Lord Jesus Christ.

Respectfully submitted,
Foy Valentine, Executive Secretary

Christian Life and Public Affairs Report

The Council on Christian Life and Public Affairs is made up of 20 persons selected by the Convention. Eight come from the General Board, while the remaining 12 are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year, Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than 700 North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active feeding some of Jesus' brothers and sisters in His name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for His followers to come after Him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptists to live as Christ would have us to live it.

Christian Citizenship Education

Church Training Report

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training program is not in competition with other programs that are carried on in a church but enhance them.

The Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often, the four basic areas of study are neglected. If any of the areas are neglected, the church suffers. It suffers by not having trained teachers and leaders.

There are only 15 churches in our Association that reported any Church Training programs last year. That means that 45 of our churches are not training their people to be well informed teachers and leaders.

During our Associational Key Leadership Conference in August, one of the churches represented did not have Church Training, but there was hope that they soon would begin one. I am thankful for the renewed interest in the Church Training program.

During my participation in the State-wide Key Leadership Conference at Ridgecrest in May, I was asked to set goals for the Association Church Training program. I proposed the following goals:

1. Start five Church Training units. Each unit being a new program in a church that does not have an on-going program.
2. Have increased participation in the Bible Drill and Speakers' Tournament.

I ask each church to set goals for your Church Training program this year. Aim high and the Lord will bless you for it. With your help this will be the best Church Training year ever.

Subject: Constitutional Changes for Union Baptist Association

Recommendation one: Under Article III Membership, this change is to be considered. The entire paragraph as it now stands to be changed to read as follows: "The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No church shall be entitled to more than 10 messengers."

Recommendation two: Under Article IX, New Church Committee, this change is to be considered. In paragraph one, delete the last three words, "concerning the applicant." Then, beginning at the end of paragraph one add these words, "that the applicant come under the watchcare of the Association for the period of at least one year. During this one year period, the Church shall appoint the pastor and one lay member who shall attend the Executive meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request."

Director of Missions Report

The Lord continues to bless the ministries of the churches in the Union Baptist Association and the Association. The year has been another good one. Associational leaders, pastors and lay-leaders in the churches and churches have cooperatively worked together and with us. We give God the praise for all that has been accomplished and for the challenges that presently face us.

Great Christian fellowship continues to be enjoyed with our pastors and families in personal visits, church services, pastors' conferences and prayer meetings, etc. We have taken 14 new pastors and wives out for a meal on behalf of the Association.

The year has brought to my wife and me opportunities to visit 150 times in our churches -- once or more in each of the 60. It was my privilege and responsibility to

preach 43 times. I made 14 visits to hospitals, four to funeral homes and attended 10 funerals. My wife and I shared in the presentation of the Home and Foreigh Mission studies in several of our churches. I taught January Bible Study and a soul-winning study. I delivered two ordination messages – one deacon and one pastor. Spoke to three VBS groups and several other special groups.

Many hours have been given in working closely with the Building Committee in observing and guiding the construction of the office building.

The following activities were promoted and participated in by the Director of Missions: Pastors' Conferences and Prayer Meetings; Clinic for Church Clerks, Quarterly Council and Executive Committee meetings, Sunday School Workshop (2 sessions), Special Session of the Association, Church Council training, "M" Night, Youth Week and Night, Weeks of Prayer and Offerings for Associational, Home and Foreign Missions, VBS Clinic, Deacons Schools (2 nights), Associational WMU Annual Meeting, Girls in Action Day Camp (spoke five times) and Associational Key Leadership Conference (led the conference for deacons, finance committee members and pastors and delivered closing message).

I have attended and participated in the following area and state meetings: Union County Clergy Association, Director of Missions and State Staff Team at Caraway and Raleigh (three), Baptist State Convention Pastors' Conference, Baptist State Convention, Raleigh; State VBS Clinic, Caraway (two days); Metrolina Directors of Missions, Charlotte; State Key Leadership Conference, Ridgecrest (three days); Civitans Clergy Appreciation Meeting and Banquet, Monroe; State Evangelism Conference, Fayetteville (two days); Marriage Enrichment Retreat for Directors of Missions and wives, Wingate (two days); State Directors of Missions Conference, Wingate (five days); and Week of Christian Study and Fellowship, Mars Hill (five days).

I have participated in the following local conferences: 200 individual, 17 groups and 19 committee.

Fourteen Hundred Newsletters have been compiled and printed each month. We have attempted to inform our people about the activities of the Association and Conventions.

As we begin the new year, we do so, looking to the Holy Spirit to guide, use and bless us. We are also depending on you to continue to pray for us and the work of the Association and to work with us. In so doing, all of us can be involved in church growth and maturing and in reaching all the goals of Bold Mission Thrust.

Ellis L. Marks

Evangelism Report

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C.W. Ward of Raleigh. The Committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979.

Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the State have already participated in Bold Evangelism Clinics, using the notebook - BOLD EVANGELISM THROUGH THE LOCAL CHURCH - with the emphasis related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminars was co-sponsored by the Division of Evangelism and several of the staff at the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism teams in one-week efforts among 36 churches across our State.

Churches and associations are now involved in Bold Revival Planning Clinics, using the *Revival Planbook for the Local Church, Counseling Guide,* and the *Follow-Up Manual for New Christians.* The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

Many of our churches have had some very good and exciting revivals this year. Many have had people saved and joined the church. Some have had their churches come alive to a new and exciting spirit within the churches. Our hope and prayer is that all of us might have a new evangelistic spirit that we may see more people saved in Union County this year than any previous year in the history of our Association. The only way we can do this is to go out with new zeal from the Lord and tell men and women, boys and girls about Jesus and His love for them. God bless each of you and may you win souls for Jesus this year.

The financial support of the churches to the Association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, are presently being used to build our office building. We need your continuing support in order to pay for this building. Help our Association meet this very great and vital need.

If every church would give the Association 3% of their total budget, we would have adequate funds to meet our needs.

General Board Report

As your General Board member for the past four years, it has been a joy and a pleasure to represent you to the Convention and the operation and work of the Convention to you.

We feel very confident about the spiritual soundness of those who lead and work with us across the Convention. The years ahead should produce a far greater informed and aggressive church program. We have the trained leadership, visual aid and well-led schools and conferences. The only thing missing is our cooperation.

We feel that much and lasting good has been accomplished between "convention guide-lines and the Wake Forest University." We appreciate the spirit in which the Committee worked and prayed. With long tiresome hours, they patiently waited for the Holy Spirit to lead and direct them. This will not please all, but we feel it's a "fair and good compromise," both to the Convention and Wake Forest Univeristy.

Of the 36 trustees, 24 will be Baptists and come from our own State Convention, Twelve, or the other third, of the Trustees may be selected outside the State and

could be non-Baptist. But these, after being nominated, would then have to be approved by our Committee.

Each church treasurer will receive a form letter to be used in sending in Cooperative Program money. There will be a place to mark if your Church wishes to continue giving to Wake Forest University. If it is not checked the 6.4% for Wake Forest University will be distributed among the other means of Christian Higher Education.

1978 Statistical Summary:

We have 3,444 churches which is eight less than 1977, with 20 under the watchcare. Total membership is 1,106,768 or 3,878 more than in 1977, but our baptisms were 223 less than in 1977.

In 1977, total gains by letter, baptisms, etc., were 50,864. Lost by death and other causes the same year was 47,394 or a gain of 3,470.

The number of churches having no births in a year -- 1977, 726 were birthless and 698 in 1978.

The ratio of baptisms to resident membership in 1977 -- 1 to 38.2 and in 1978 1 to 38.9.

We have increased our giving in tithes and offerings, gifts for missions, Cooperative Program and other income. "Money" has become about the cheapest thing we have. New building and property, 1977 -- $20,752,481; 1978 -- $23,889,408. Total missions gifts, 1977 -- $24,895,399; 1978, $27,272,048. With this increase, in 1977 we had 646 churches giving nothing through the Cooperative Program and 603 in 1978.

Sunday School reported 16,000 lost from our rolls last year. (We are not keeping our own.)

Church Training is on the rise: We had 40 new unions in '78 over '77. We are now reaching 41.9 of our churches through Training Union.

Woman's Missionary Union: In '77 we had 3,508 -- in '78, 2,549. Forty one more Unions in '78. In 1977, 72.6% of churches reported organizations -- in 1978, 74.0%. WMU lost 2% in 1977 and 2% last year.

Associations requesting financial assistance: 47 of our 80 associations request aid.

Pastoral Aid Requests: 44 Associations and 65 churches

Lot Aid Requests: 12 Associations and 16 churches.

Respectfully submitted,
Lawrence Funderburk,
General Board Member

N.C. Baptist Hospital Report

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research and is in response to the health care needs of the people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries and some cardiac problems.

A new six-bed unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the State, has been acquired and put into operation. This fully automated analyzer which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team, consisting of physicians, nurses, a psychologist and chaplains, ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. they also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counseling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care Department are made accessible to people across the State through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year - despite continuing inflation - is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building - "Old Main" - has been torn down and a new six story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516.00 as compared to $388,122.00 in the preceeding fiscal year.

N.C. Baptist Homes for the Aging Report

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accomodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accomodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accomodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, the Hayes Home, Apartments, the Skilled Nursing Unit in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home in Yanceyville; the Western North Carolina Baptist Home in Asheville.

Financially, this has been a crucial year in our Baptist Homes since we did not have our usual third Sunday of February offering, which makes up 16% of our total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual $300,000.00 that we receive from the special offering was delayed until we receive the North Carolina Missions Offering in September. We are looking forward to this offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging. Let us trust that the goal of $2,000,000.00 for all of our 10 Baptist Institutions, and the special causes of State Missions will be met.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1.2% of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefor, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

Of great joy has been the addition of two new adminstrative staff members - Mr. Jack Hoyle, who came in mid-January as the Director of Admissions and Social Services, and Rev. Jim Saul, as the Director of Denominational Relations and Development. Rev. Saul is filling the vacancy created by the retirement of Rev. Ralph Cannon in March. We shall never cease being grateful to the Lord for the significant contribution that Ralph made during his service with the Homes. The ministry of the Homes has been greatly enhanced and enriched by the coming of Jack Hoyle and Jim Saul in their respective fields of service.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but to encourage us to expand this desperately needed ministry in our Convention.

Prison Ministries Report

SPECIAL EVENTS:

Monroe Unit 45
Rev. D.M. Parker, Chaplain
Rev. Oscar Helms, Assistant Chaplain
Rev. Joseph Baucom, Instructor
Rev. Billy Morgan, Security Inmate

Some of the outstanding events that were held on the campus in fellowship with Christ during the months of August, 1978, through August, 1979.

In the early part of this year prayer meeting was started in the camp. Our pre-Thanksgiving service was held. The attendance was great and the presence of God was there. I feel confident in saying that we, as, inmates felt in these services prosperity, peace, thankfulness, the presence of God and the pardon of our sins. We praise God for all who worked in the beautiful and bountiful service.

On November 22, 1978, Rev. Robert Byrd brought our Thanksgiving message.

On December 22, 1978, Rev. Lewis McLean brought our Christmas message.

February 14, 1979, in our Valentine's Day service, slides from Jerusalem were shown to us.

Prior to our spring revival, we had 19 professions of faith; the men were transferred to other camps before we could get our pool. Some were baptized in other camps and some in their own home churches.

Our spring revival ran from April 9, 1979, through April 15, 1979. During this revival we had six inmates to make professions of faith and ask for baptism. The revival was a great success.

Revival: June 13-16, 1979. The speaker for the services was Rev. Billy Morgan, Inmate. During the services six men made professions of faith and asked for baptism. Baptized 12 men on June 16th.

On August 9, 1979, we had a watermelon feast. Watermelons were donated by Rev. D.M. Parker.

We also would like to take this time and thank all the ministers and other fine people who aided in all our services. We thank you so much for your time and energy spent on our special events. May God bless you.

Also, our Sunday services and Bible class. We would like to thank the ministers on our rotating schedule and the teacher for the Bible class. Our Sunday services throughout the year are growing to standing room only.

We, the Committee, wish to thank the Lord for all that had a part in making this great report what it is.

Respectfully submitted,
Mr. Oscar Helms, Chm.

Stewardship-Cooperative Program Report

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptist in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many people must adopt this commitment.

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. In 1980 we must learn to live with and to live our own dream.

Involved in this learning are several realities to be considered.

1. Churches need to be faithful in fulfilling their goals of mission and church growth.
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted.
3. We need a strong zeal and spirit of cooperation to attain the goal of our 1980 Associational mission program.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Increase the percentage of its total budget income through the Cooperative Program.
2. Increase the percentage of total budget income for support of Union Baptist Associational Missions.

STEWARDSHIP DEVELOPMENT:

The Stewardship Commission of the Southern Baptist Convention provides leadership and materials for development of individual Christian Stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

The Bible provides insights for the development of Christian stewards.

Our Association held on April 9, 1979, a Stewardship Conference for pastors. Brother Talmadge Williams, Director of Stewardship Development, State Baptist Convention, led in this conference.

Wingate College hosted our meeting. The State Baptist Convention hosted our noon lunch.

ENDOWMENT AND CAPITAL GIVING PROMOTION:

A. Wills, Trust, and Estate Planning.

The work of your Baptist Foundation is a continued service on the part of your Convention to educate the Baptist constituency concerning their eternal stewardship responsibilities.

Sunday School Report

All 60 churches in Union Association have a Sunday School. When one thinks of the loyal, devoted teachers and workers who do their work cheerfully and loyally every week, we thank God for them. The preparation, the outreach and the actual Sunday morning participation of these devoted Christians make one confident as to

the future of God's work in this place. Let us give thanks daily for our Sunday Schools and those who serve there.

Preparation for a job is most important. We have had three Association-wide training sessions for Sunday School workers. On October 2-3, 1978, 200 attended a most successful workshop at Oakland Baptist Church led by state approved leaders. March 1-2 found the Vacation Bible School leaders at a training session at Caraway. These in turn came back to lead the Union Associational VBS workers in our own clinic at Oakland Baptist Church with 162 in attendance.

A group of Associational leaders attended a Key Leadership Conference at Ridgecrest on May 14-16. They returned home to lead in the Key Leadership Conference at Oak Grove Baptist Church, August 21. Twenty-five Sunday School Directors were present in the Sunday School session. We feel that the participants in these meetings went back to their churches inspired and better prepared to do their jobs.

Woman's Missionary Union Report

Members of the Woman's Missionary Union organization have focused attention on two emphases during the year: Baptist Women Year in the Church and Teach Missions: to live, to grow.

At the end of the year, 51 churches report WMU organizations. Churches in which work has been organized during 1979-80 include (1) Lanes Creek, a Baptist Women, (2) Bethel, Girls-in-Action and Acteens and (3) First Baptist Church, Stallings, a Baptist Women. A BYW at Lee Park Church and several youth organizations have also been added.

The annual meeting was held on April 5, 1979, at the First Baptist Church, Indian Trail, using the theme, "So Send I You." Two Wingate College students, Kathy Stegall and Jeana Murray, told about their mission trips during spring vacation to

Lake Placid, N.Y., and the Dominican Republic, respectively. Dr. Paul Johnson, Missionary to the Philippines, spoke at the night session. "So send I You," a missionary cantata was presented by the Oakland Baptist Church Choir as the closing challenge.

Associational meetings were held for all levels except Mission Friends. The GA's enjoyed Day Camp at the Marshville City Park. The Association Director of Missions, Rev. Ellis Marks, was the missionary speaker. The Acteens Council, composed of Acteen members, planned the quarterly meetings of the Acteens. The Baptist Women's World day of Prayer was observed in November at the Elizabeth Baptist Church in Monroe cooperatively with the women of the General Baptist Convention. In addition, the Baptist Women had a fellowship meeting in May.

The Associational WMU officers have been active in helping organize new work, in providing leadership training and in planning for Associational WMU meetings. They have been represented at both state and national meetings. Training was provided for the church WMU officers and leaders during a two-night manual study and training conference. Again, the Associational WMU is DISTINGUISHED on the WMU Achievement Guide.

The church WMU's cooperated in two projects during the year. They helped Rev. W.O. Hern, Missionary to Arabic and Persian speaking people in North Carolina, secure Scriptures to use in his work. They, also, contributed 250 stuffed toy animals to be placed in the Christmas boxes for women in the North Carolina Correctional Center for Women.

The overarching concern of Woman's Missionary Union is that all people everywhere may have the opportunity to hear the Gospel and that they be given a chance to respond to it positively. Hence, dedicated women and girls will continue to

"Publish glad tidings, tidings of peace;
Tidings of Jesus, redemption and release."

Marian Hume, Director

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1886 the name of Union Association occurred.

Southern Baptist Convention
Bold Mission Thrust

PURPOSE: That Southern Baptists understand, accept and become involved in the mission to enable every person in the world to have opportunity to hear and to respond to the gospel of Christ by the year 2000.

In order for this purpose to be fully realized, the churches must make spiritual preparation. This preparation must include praying, strengthening the church membership in Christian growth and discipleship and applying the gospel in the community and in society at large.

OBJECTIVE AND GOALS (1979-1982)

I. Bold Growing...by providing New Testament based churches and missions for all people...

1. Through increasing Bible study enrollment in existing churches by 12 percent by 1982.
2. Through providing opportunities for all persons in their localities to hear the gospel resulting in an increase in baptisms of at least 10 percent per year through 1982.
3. Through establishing 5,800 church-type missions and churches.
4. Through every church establishing at least one point of witness in new geographical and/or cultural areas.

II. Bold Going...by seeking out and equipping the called and cooperating in the support of persons participating in the activities of Bold Mission Thrust...

1. Through churches seeking out the called and supporting 1,000 additional career missionaries.
2. Through the churches seeking out the called and cooperating in the support of 5,000 Mission Service Corps and 100,000 other short-term mission volunteers.
3. Through churches enlisting and equipping church members for preaching the gospel in their own localities.

III. Bold Giving...by providing adequate financial resources to accomplish Bold Mission Thrust.

1. Through enlarging the financial base in each church by at least 15 percent annually.
2. Through doubling gifts through the Cooperative Program by 1982 (from 1977).
3. Through enlarging gifts for work through the associations by at least 10 percent each year.
4. Through increasing the special mission offerings—Foreign, Home and State by at least 10 percent each year.
5. Through securing adequate gifts over and above regular gifts to send 5,000 Mission Service Corps volunteers.

Constitution of the Union Baptist Association

ARTICLE I—NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV—AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be neccessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V—OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI—EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missio-

nary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII—ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII—TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Associational authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX—NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association that the applicant come under the watchcare of

the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X—PROCEDURE

The business of the Association shall be conducted according to "Robert's Rules of Order," where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI—AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII—ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

By-Laws

REPORT SECTION

AMERICAN BIBLE SOCIETY

Since its founding, the American Bible Society had offered the people of the world more than 3 billion opportunities to read at least some portion of God's Word. The ministry of sharing the Scriptures has steadily increased until currently there is an annual distribution of more than 250 million Bibles, New Testaments, Portions and Scriptures.

In many overseas areas there have been extremely encouraging increases in the number of people reached with God's Word. In the United States, the American Bible Society distributed 108,882,672 Scriptures. Southern Baptists in various efforts have utilized ABS Scriptures in efforts to reach large numbers of people with some part of God's Word.

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. In two of these languages the first publication was the entire New Testament. Two of the languages are from Soviet Russia.

The New Reader Scriptures, now published in 228 languages, continue to be widely used. Translation of these booklets is proceeding in additional languages.

The tremendous advances achieved during 1979 have been made possible because of gifts received from organizations such as the Southern Baptist Convention. A total of $286,200 was contributed by Southern Baptists; but, much more could be done if Southern Baptist would just increase their per capita giving from $0.022 to $0.04 annually.

The ABS asks that the Bold Mission Thrust be just as bold in Scripture distribution as in other areas of mission work. Only then can we be certain of having the Scriptures available that the Southern Baptists need around the world.

Marian Hume

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report:

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your

assistance, are dedicated to a continuing Christian ministry to children and members of their families.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC., REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus, Baptist people were enabled to have a continuing part in support of eyery mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered and distributed gifts to Baptist Colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

Born of a bold idea, it fulfills its mission today giving each Baptist the opportunity to be a part of Bold Missions now - and forever!

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation staff has attempted through Pastors' Conferences, Senior Citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, new trusts have been established with combined assets of $650,000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than $370,000. The audit of Foundation records for the year ending December 31, 1979 revealed total increase of assets for the year was $1,018,681.00 with total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

NORTH CAROLINA BAPTIST HOMES
W. A. Poole, Executive Director

Ministry to an older person is a ministry as unto Christ Himself, and it is people like Mrs. Tillie Crabtree who make it all worth it. Mrs. Crabtree, a resident of Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank You" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes from her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God had blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry — Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and homes in Albermarle, Hamilton, Yancyville and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches have fallen behind previous year's gifts through the two vital sources of income for the Homes — through the Cooperative Program and through the new North Carolina Missions offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment Complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptists for all that you are, and for all that you do for them.

Respectfully submitted,
Rev. Carl Sizemore, Chariman

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover funtional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating cost (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptist of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the

Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

THE BIBLICAL RECORDER

Faced with the same inflationary pressures that every family has these days, the *RECORDER* has managed to get through another year without an increase in subscription rates. A church can still send the *RECORDER* to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus, the *RECORDER* is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworth year for Baptists and the *RECORDER* has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the *RECORDER* informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the *RECORDER* was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus". Not only did the *RECORDER* run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take Place — and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the *RECORDER* are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the *RECORDER* to every church family. See that your church makes this move in the coming year.

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist Colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptist educational missions in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges, We request your earnest prayers for each of them.

EVANGELISM REPORT

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention, The Simultaneous Revival dates for the three areas of our state are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates, Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4-5, 1980, at First Baptist Church and War Memorial Auditorium, Greensboro. Eight Practical Evangelism Conferences, related to helps for growing churches and discipling members, were held during the first afternoon session at the First Baptist Church, Greensboro,

About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium,

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, *Bold Evangelism through the Local Church*. The other associations in our state are asked to plan a Bold Evangelism Clinic this fall or next spring. Also, every church is urged to enlist a Local Church Task Force on Evangelism to involve more members to direct witnessing to unsaved persons.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board, are now available for use by our churches. The Lay Evangelism School is a one-week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Evangelism Clinics for bi-vocational pastors are now being held across the state to assist pastors of rural-small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. A Discipleship Seminar was held during the afternoon session at Immanuel Church. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

THE CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The events of the last year have dramatically highlighted the moral challenges of our day. The taking of the American hostages in Iran, the Soviet invasion of Afghanistan, the resurgence of the Ku Klux Klan, recurring violence, worsening energy problems, the crisis in family life - all these speak to the need for a fresh word from the Lord for our day. During the year the Christian Life Commission has been about the task of trying to help Southern Baptists proclaim that word with clarity and power.

There have been some especially significant developments related to applied Christianity during the year. Executive Director Foy Valentine has been asked by the President of the United States to help define our natural priorities by serving on the President's Commission for a National Agenda for the Eighties. Commission staff member, Harry N. Hollis, Jr., has had important opportunities to contribute to the development of strengthened family life in

America through his role as a member of the National Advisory Committee for the White House Conference on Families. A national seminar was held in New York City which dealt with "Ethical Issues for the Eighties", and conferences on "The Bible and Christian Ethics" were held at the summer assemblies at Ridgecrest and Glorieta. The Commission promoted the observance of World Hunger Day, Race Relations Sunday, and Christian Citizenship Sunday by the churches, and distributed hundreds of thousands of pieces of literature on current moral issues. Consultations were held dealing with the unresolved problem of television immorality and with the current crises in economics and energy. In addition, the Commission staff wrote articles for a large number of publications, preached sermons, led conferences, and gave speeches seeking to further righteousness in our land.

The Commission enlarged its efforts to deal with the difficult problem of world hunger by working with the Sunday School Board, the Foreign Mission Board, and the Home Mission Board to produce a packet of materials on world hunger which was distributed to every Southern Baptist pastor, minister of education and director of missions. This packet of materials was designed to inform readers about hunger and to help churches plan for the 1980 World Hunger Day observances.

Christian citizenship activity among Southern Baptist received significant encouragement from the activation in 1980 of the Christian Citizenship Corps. The Corps is a group of Southern Baptists who are committed to active and responsible citizenship and who subscribe to the Commission's newsletter *MORAL ALERT*. *MORAL ALERT* informs Southern Baptists about legislation which will affect morality in our society, and it presents Christian ethical considerations of selected public issues.

Finally, the Commission has expanded the size, circulation, and frequency of publication of its periodical *LIGHT*. *LIGHT* is mailed without charge to interested Southern Baptists; and it contains timely articles about the most pressing moral issues of our day.

The Christian Life Commission is deeply concerned about the moral climate of our society, and seeks to work faithfully in the task of helping Southern Baptists in family life, race relations, economics and daily work, Christian citizenship development, and special moral concerns. The Christian Life Commission is grateful to God for the opportunity to work with Southern Baptists in this great responsibility of "Helping change people to change the world".

THE PRISON MINISTRY

The Prison Ministry conducted at Unit #4550 in Monroe, N.C. has been a living example of that outreach by individuals and the church spoken of by Christ as being the essence of discipleship and His Body on earth - the church (Matt. 25:30-40).

Statistics are barren in expressing the manner in which lives have been changed, souls born again and spirits renewed in hope for release — both spiritually and physically.

Men in prison are usually men of desperation - reduced to numbers and statistics, thus many times they are responsive to the message of hope and salvation in Jesus Christ at the time in their lives more than at any other time. Thus, we must be always conscious of the Holy Spirit's "drawing" these men. Thus, consistent and continuing ministry must be maintained to "be there" at that crucial moment of receptivity as the men move through the penal system toward return to society. There have been several notable examples of the correctness of this philosophy proven in the lives of men moving through the Monroe unit. Policy by the prison precludes naming names, but their names are written in the Lamb's Book of Life. Their lives are living examples of discipleship.

Two men converted and baptized as a part of our prison ministry are now in full time ministry for the Lord. One came back to preach his first sermon at the Monroe unit. It was a powerful sermon and a moving service. A number of men came forward to accept Christ as a result of the message. Another, formerly an

actor, is laying groundwork at this moment for a "halfway house" in Charlotte for prisoners who have no home to go to on release (this is necessary for release). Another young man, rebellious of spirit several years ago, now leads the services conducted at the prison. His manner speaks Spiritual perception. He has become a man upon whom we can depend. His concepts of counseling other prisoners in times of trouble and stress bear the imprint of Christian principles.

Weekly services were held on Wednesday and Sunday during the past year. The Wednesday Services are usually Bible Study in nature, prayer is often a significant part of these services. The Sunday Services feature ministers of the area as speakers and take a more traditional form of Worship experience. These Services were enlivened by the presence of singing groups and ministering individuals from time to time.

A singing group made up of Inmates within the unit has been a regular blessing to the ministry and prisoners alike.

Special services were held at Thanksgiving, Christmas and Easter. Whenever permitted by the prison officials, local churches are called on to provide refreshments for the men attending. The Easter emphasis included a week of Revival Messages with local ministers bringing the messages.

Eleven men were baptized in June as a result of the year-long evangelistic efforts culminating in the Revival Services. The baptism was conducted within the prison compound. A baptistry on wheels provided by the State of North Carolina gave the ability to immerse the men.

While my own health has hospitalized me several times during the reporting period, I have never been out of contact with my prison responsibility as Assistant Chaplain of Unit #4550. This has been due to two factors - the men inside never forgot me and constantly sent messages of hope and assurance of prayer. Chaplain D. M. Parker ministered constantly to me during hospital episodes, a man of God in every sense of the word, and a dear friend of Christ.

I have come to know and consider many of the men in the unit my Christian brothers, separated only by a fence - as they call themselves "The Church Behind the Fence". Truly it is, for it functions as a living Body of concern, and love, and Christian fellowship.

I am grateful to our Association and to our Lord Jesus Christ for the privilege of representing both Him and the Church in this most crucial ministry for Him. May we see many in the Kingdom of Heaven because of this presentation of His claims and His glory.

Oscar Helms, Chairman

STEWARDSHIP - COOPERATIVE PROGRAM REPORT

Commitment to Christ is much broader than many people realize. It involves an individual's faith in Christ and a recognition of God's ownership of self and of things. A Christian steward will consider his method of earning as an exercise of his stewardship responsibility. He will honor God in his choice of vocation and in his performance on the job. He will view his job as one expression of his Christian commitment.

When a church teaches biblical stewardship, individual church members will be strengthened and the church's opportunities to minister to people in its own community and take the gospel to people around the world will be enlarged.

Southern Baptist churches work together today through 1,191 associations, 33 state conventions, and the Southern Baptist Convention to accomplish through voluntary cooperation far more than they could ever do alone. These organizational units of Baptist life are designed to assist the churches in accomplishing their God-given tasks of bringing men to God through Jesus Christ. Neither organization is subservient to the others.

The Southern Baptist Convention conducts its work through nineteen agencies. All are supported by the churches through the Cooperative Program except the Sunday School Board which operated on funds earned from the sale of literature and other materials. The Convention elects trustees or directors for each Convention agency and delegates to them the operation of each particular agency.

In all that they do, Southern Baptist churches and denominational organizations are endeavoring to bring men to God through Jesus Christ.

BROTHERHOOD REPORT

Southern Baptists are demonstrating growing interest in becoming involved in missions ministries as their expression in Bold Mission Thrust. That increasing concern is reflected in the response of thousands of Baptist men to disaster relief opportunities created by Hurricanes David and Frederic. It can also be seen as thousands of other Baptist men travel across the United States to construct Southern Baptist church buildings where such missions ministries exist.

Mobilizing Baptist men is becoming one of the spearheads of Southern Baptists as they seek to make a reality the goal of sharing the gospel with every person in the world by the year 2000.

In the more traditional areas of programs, the small Brotherhood Commission staff spent 1,800 days in the field in leader training and promotion. One of the products of leader training were 600 specialists who were prepared to orient church and associational Brotherhood officers in 50 states in 1979-80.

The third annual Bold Mission Leadership Conference at Glorieta, New Mexico, sponsored by the Commission and Woman's Missionary Union, attracted a record 2,050 Baptists.

Other marks of progress included the sponsorship of two national lay renewal conferences and a national Royal Ambassador Congress for 2,000 boys 12-17, production and distribution of 2,200,000 copies of six missions publications for Baptist men and boys and the coordination of World Missions Conferences in 25 states which involved 175 associations, 2,318 missionaries and attracted 1,092,861 Southern Baptists.

Under the new leadership of Executive Director James H. Smith, the Commission adopted an objective of "Helping Churches Involve Men and Boys in Missions".

To implement the objective organizationally, the Commission restructured its staff into four divisions — Business, Baptist Men, Royal Ambassadors, and Communications — and Administration.

W. P. Wellmon

CHURCH TRAINING REPORT

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training Program is not in competition with other programs that are carried on in a church but enhance them.

The Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often, the four basic areas of study are neglected. If any of the areas are neglected the church suffers. It suffers by not having trained teachers and leaders.

There are only fourteen churches in our association that reported any Church Training programs last year. Since the beginning of the associational year, we have started two new programs, but there are still forty-four of our churches that are not training their people to be well informed teachers and leaders.

During our Associational Key Leadership Conference in August, some of the churches attending expressed a considerable increase in enrollment. I am thankful for the renewed interest in the Church Training Program.

I propose the following goal:

Start four Church Training Units, Each unit being a new program in a church that does not have an on-going program.

I ask each church to set goals for your Church Training Program this year. Aim high and the Lord will bless you for it. With your help this will be the best Church Training Year ever.

Respectfully submitted,
Carolyn Godfrey

MUSIC REPORT

On March 10-11, 1980, Union Association joined with Cabarrus and Mecklenburg Associations in Praise - Fest '80, a time of learning fellowship and worship. There was leadership training for adult, youth and children's choirs. There were learning opportunities for two levels of choir as well as for brass, pianists and organists. At the close of the second session, all groups joined together in a praise-song. Acting upon positive responses, we are now in the process of making plans for Praise-Fest '81. My prayer is that through music we will move toward greater worship in our churches.

Respectfully submitted,
Carol Howard

SUNDAY SCHOOL REPORT

The two tasks of the Sunday School are to teach and to reach. As we reach out to touch the lost of our county, we as Sunday School leadership must not pass our responsibility to pastor, deacons, or to the Thursday night visitation group. You are the most important teaching and reaching arm of your church, For the average church member you spend more time teaching him on Sunday morning than your pastor spends preaching to him. You are people shapers. The shape of your church depends on you. Let us join together this coming year to shape our Sunday Schools, our churches and our association into what God would have them to be.

We have achieved these two tasks this past year by:

(1) An association Curriculum Workshop.
At this workshop all three series of the Southern Baptist literature were overviewed and teaching tips were offered.

(2) Teaching the *Reaching* Series.
This was an age level graded workshop that taught us how to organize and reach those of our communities.

(3) An Associational V.B.S, Clinic.
Help was offered in understanding the current V.B.S. curriculum and the specific needs of preschoolers through adults.

I thank our Associational Sunday School and V.B.S. leaders and all participants who made this a successful year.

Respectfully submitted,
James W. Parks, Director

WOMAN'S MISSIONARY UNION

As active participants in the Bold Mission Thrust, Woman's Missionary Union has emphasized "Life-Changing Commitments" during the year.

At the end of the year, 52 churches have one or more W.M.U. organizations. A Baptist Women was reactivated at Faith Church. Hermon and Lanes Creek organized youth organizations for the first time. Mt. Zion added Mission

Friends; Ebenezer, Acteens; Mary Elizabeth, Acteens; Olive Branch and Mt. Pleasant, B.Y.W.

The annual meeting was held on March 27, 1980, at Hartis Grove Church. Mrs. Jane McRae, former missionary to Gaza, and Miss Martha Franks, missionary emeritus to China and Tairvan, were the speakers. Four who have served as missionary volunteers shared experiences: Mrs. Jerry Sutton, a week in Mexico; Mrs. Anne McConnel, a year as English teacher in Lebanon; Tommy Carter and Brice McCain, two weeks in construction in Venezuela.

The various age-level organizations, except Mission Friends, had associational meeting. Baptist Women had a fellowship meeting in February. In November, the Baptist Women Day of Prayer was observed cooperatively with the General Baptist Convention at Oakland Church. The Acteens had three associational meetings. Day Camp was held at Marchville City Park for the G.A.'s with Rev. Jerry Potter, North Carolina Missionary to the Deaf, the missionary speaker. The attendance was good in the W.M.U. conference at the Associational Key Leadership Conference.

The Associational W.M.U. officers have been active in providing leadership training, organizing new work, and planning associational meetings. They have also attended officers workshops. Training for church W.M.U. officers and leaders was provided during a two-night manual study and training conference. The association W.M.U. is DISTINGUISHED for the year on the W.M.U. Achievement Guide.

The church W.M.U.s cooperated in five projects during the year. The Mary Blair Scholarship recipients were Kit Latta and Jerry Beal. Money for Scriptures were again provided for Rev. W. O. Hern, North Carolina Missionary to Arabs and Muslims to use in his work. Six hundred packages of stationery and ballpoint pens were prepared to be used in the Christmas boxes for the North Carolina Correctional Center for Women. When the associational building was ready for occupancy, one thousand dollars was given toward the purchase of the Director of Mission's office furniture. The W.M.U. also provided the reception for the Associational Building dedication service.

If every person in the world is to have the opportunity of hearing the gospel nothing less than life-changing commitments will do the job. The challenge is to help women and girls to find ways to spend less money and to save time in order to have more available for prayer and missions involvement. Life-changing commitments for the support of missions means that more Baptists will be involved in telling more people in more places about Jesus who loves them.

"Wherefore I put thee in remembrance, that thou stir up the gift of God, which is in thee by the putting on of my hands. For God hath not given us the spirit of fear, but of power, and of love, and of a sound mind". (II Timothy 1:6-7)

Marian Hume, Director

DIRECTOR OF MISSIONS REPORT

The church year, 1979-80, brought to us many spiritual blessings, individually, in the churches, and in the life of the Association. We have been blessed by

a fine staff of associational leaders and workers, committee members, pastors and lay leaders in the churches. We have been blessed, also, by the ladies who have served voluntarily as receptionists and typists in the office. We express our deep appreciation to all of the above.

We continue to be blessed by the fellowship that we enjoy through personal visits with our pastors and families, church services, pastors conferences and prayer meetings. We have taken four new pastors and wives out for a meal on behalf of the association.

The year has afforded us the opportunity of visiting 138 times in our churches, once more in 54 of them. I was given the privilege and responsibility of preaching 32 times in regular worship services and 5 times in revival services. We made the following visits: 39 with pastors and families, 10 to funeral homes, 26 to hospitals, and attended 12 funerals. I spoke to Allen's Cross Roads Senior Citizens.

Another highlight of the year was the completion of and moving into the new office building, which is located on the corner of Tomberlin Street and Quarry Road.

The following activities were promoted and participated in by the Director of Missions: Pastors Conference and Prayer Meetings. Quarterly Council and Executive Committee meetings, Annual Meeting, "M" Night, Pastors and Families Picnic, Church Training Council, Pastor and Wives Christmas party, Pastor and Wives Sweetheart Banquet, Associational Sunday School Workshop, Energy Conservation Clinic, Open House at the new building, Youth Night, Brotherhood Rally, Associational Church Training Workshop, GA Camp, Pastors and families picnic, Appreciation Dinner at office building, Week of Prayer for Lottie Moon Christmas Offering and Foreign Missions, Week of Prayer for Annie Armstrong Easter Offering and Home Missions, Week of Prayer and Emphasis for Associational Missions, all summer camps and conferences and retreats, Christian Home Week, S.B.C., Media Center Conference, Key Leadership Conference (State and Association) 150th Anniversary celebration of State Convention.

I have attended and participated in the following area and state meetings: Metrolina D.O.M. Conferences (3) United Way Team Gideon Banquets, D.O.M. and State Staff at Caraway, Children's Emergency Center, Charlotte, Baptist State Convention - Winston Salem (3 days), Seminar at hospital, January Bible Study Institute - Wingate, D.O.M. and State Staff at Raleigh, Seminar on use of Modules at Charlotte, Key Leadership Conference at Ridgecrest (3 days), Churchmanship Seminar at Caraway (3 days), 2 sessions for N.C. Missions Offering, Home Missions Week at Ridgecrest.

I have participated inthe following local conferences: 604 individual, 57 group and 33 committee.

Fourteen hundred Newsletters have been compiled and printed each month to inform our people and promote the work of the association and convention.

Let us commit ourselves to the Lord and to the privilege and responsibility that are ours to meet these goals. Your prayers for us and your cooperation with the association are deeply appreciated.

Respectfully submitted,
Ellis L. Marks

GENERAL BOARD REPORT

It has been a busy year with General Board work — with the Wake Forest issue laid to rest we can now get on with other business.

With over 3450 churches in the state convention and over 700 reporting no Baptisms within the last 5 to 8 years, each person has much to do. Not only in our state and communities, but also with our opportunity for Home Missions in West Virginia.

The Baptist State Convention of North Carolina and West Virginia Convention of Southern Baptists have united in a team ministry for a five-year goal of 100 new churches and missions in West Virginia. North Carolina Baptist churches are encouraged to get involved.

Sponsorship may be described as primary and supportive sponsorship. The West Virginia Church will serve as the primary sponsor. The North Carolina Church will join the West Virginia Church in the role of supportive sponsorship. These two churches, or groups of churches, will, under God, launch the new work (Church/Mission) on cooperative terms of ministry.

The Door is wide open for ministry. Churches and church people are needed.

There is a great spirit of unity, cooperation, and commitment on the part of the members of the General Board and the staff of the Baptist State Convention.

Respectfully submitted,
Henry Gaye

The financial support of the churches to the Association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. We need your continuing support in order to pay for this building. Help our Association meet this very great and vital need.

If every church would give the Association 3% of their total budget, we would have adequate funds to meet our needs.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.
